MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

What I love about this school

I have now been here for about 14 weeks and I am becoming more familiar with the people and processes of our school community. I may have mentioned this next point before and, if so, it is certainly worth mentioning again. We have so many well behaved and respectful students at our school. I love visiting classes to see so many of our students applying themselves to the learning tasks at hand. There will always be exceptions to the rule and that is no different here. However, those exceptions are very small in number. Our wonderfully behaved students are a credit to the families and the people responsible for their upbringing. Well done and keep up the good work.

Walking Bus

I believe that in the past there has been a “walking bus” program at this school. For those unfamiliar with the concept, a “walking bus” is when children walk to school under the company of adults. There would be a set route defined and an operating time. Basically it would be like a bus timetable and set route without the bus! I would like to be able to be a part of this and there would need to logistical issues that would need to be overcome but none that are insurmountable. If you are interested in your children participating in this or you would like to find out more information don’t hesitate to ring the school and ask to speak with me about the “walking bus” concept.

Health and Wellbeing

You may notice some staff at school walking around with pedometers attached to them. We are participating in a Health and Wellbeing challenge. (I use the term participation loosely as some of us are working with a more competitive edge to the work we are doing). The challenge is established around physical activity and diet. The physical activity is converted and measured in the number of steps each person has each day. The diet is based around meeting standard amounts of fruit and vegetables each day. It is as rigorous or relaxed as we each determine. It is a bit of fun while also being a good motivator for health and fitness. It is a web based program and has few limitations around the number of teams and participants that can be involved. Maybe next year the challenge could be extended to the wider community.

School discos

We have 2 school discos coming up this term on the 20 November and 27 November. The first of those discos is for our Prep students and will be from 5.00-6.30 at the hall. The second night of the discos is for students from years 1-3 at 5.00-7.00 and the years 4-6 at 7.30-9.30. I have spoken with the P&C to help sort out arrangements for both discos.

In contrast to previous years, the P&C will not be preselling tickets to the discos. Payment for each of the discos will be paid for on the night of the disco. To do this, we will have tables set up near the entrance to the hall to take admission fees. The admission fee will be $5.00 for attendance or $10.00 for attendance and food/drink. This price will be per child. We aim to be selling tickets 30 minutes before each disco commences. The early opening time will help reduce the time lining up for tickets. There will be volunteer’s working on the nights. Please assist us by being patient. We will get children through the door as quickly as we can. Correct change on the night will also help to speed this up.
School discos need to be well supervised and in our different roles, there are some responsibilities that we have. Children need to be safe at the disco and this includes no running. Another area of concern that comes up is children with glow sticks. Children can react badly to the chemicals in some glow sticks. What can happen with some glow sticks is if they break open and the chemical leaks out and contacts children’s skin, the end result can be burns to skin. There have been incidents where children have permanently lost partial vision in their eyes. This could come down to different companies using different chemical mixes for the glow sticks. The bottom line is that I will not allow children to bring glow sticks to any of the discos.

Pick up time at the end of the disco is a time where we need to have a clear process for parents coming to pick up their children. At Springfield Lakes State School this happens when we seat all children on the floor in class groups and then let parents in a few at a time to collect their children. Again, this can take some time. I ask that you help us out by being patient. We use this process in the interests of safety for your children. We need to make sure that this pick up time means that children go home with their parents.

Kind Regards
Greg Horrigan

What are Speech Sounds?
Speech sounds are simply the sounds we say in words. For example, the word ‘cat’ has 3 sounds: /c/a/t. It is how we ‘articulate’.

Why are speech sounds important?
Having a good speech sound system is important for:
- Articulating clearly, so others can understand what we say.
- Being able to sound words out correctly for reading and spelling. E.g. If you child cannot make the /th/ sound, they may spell words with a different instead. E.g. tooth → toof.

2 common types of speech sound errors include ↓

<table>
<thead>
<tr>
<th>Articulation difficulties</th>
<th>The child is unable to make the sound. E.g. Cannot make the /r/ sound, even on its own.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Phonological processes</td>
<td>The child can make the sound, but is not using it. E.g. Sometimes the child will say ‘tat’, and sometimes they will say ‘cat’.</td>
</tr>
</tbody>
</table>

Articulation difficulties and phonological processes will be present at different ages as your child acquires their sound system. For example, it is normal for a 5 year old to say /f/ instead of /th/, as the /th/ sound isn’t acquired until approximately 8 years old (see table ↓).
### What is a lisp?
When a child or adult finds the /s/ and /z/ sounds hard to say. There are different types of lisps, depending on the position of tongue.

### What is gliding?
When a child or adult finds the /r/ sound difficult. Eg: rabbit → wabbit

<table>

<tr>

<tr>

</tr>
<tr>

</tbody>

**What can we do at home as parents?**

- Encourage your child to ‘fix up’ their errors if they can make the sound, but are just not using it. Give them praise for ‘fixing up’ their errors on their own.
- You may like to point out that the meaning is different when they don’t use the correct sound, and may cause people to misunderstand what they say. Eg. I need a *seat* for my bed (when the child means *sheet*).
- If your child cannot make the sound, and they should be able to by their age (see table above), it may be good to seek advice from a speech pathologist, or the child’s teacher to see if their difficulty is impacting their ability in the classroom (eg. spelling, confidence etc).

Instrumental Music 2016 Student Selection
We have begun the process of selecting students for the Instrumental Music Program in 2016. This process is a very involved one, as we need to be sure to match the right instruments to the right child. This week has seen our Year 2 and 3 students try out on their chosen instruments.

Some of the things we must take into consideration before selecting a child to play an instrument are the child’s musical skills and abilities; physical attributes (height, hand-size, mouth shape, arm length, co-ordination); responsibility and organisational skills; classroom abilities (English and Maths); parental support and skills such as working independently and working as a team.

Unfortunately, this year, we have had many more students applying than places available, and whilst we try our best to accommodate as many people’s choices as possible – sometimes we are just not able to do this.

As a result, we find it extremely disappointing when a student “drops out” after playing for such a short amount of time, especially as they have taken up a place in the Program that could have been given to another student. Please be mindful of this when you consider your child’s possible involvement in Instrumental Music in the future.

We are aiming to have the Instrumental Music Offers for 2016 out to families by week 7 of this term.

2016 Instrumental Music Parent Meeting
A big thank you to all parents and students who attended last week’s 2016 Instrumental Music Parent Meeting. It was also great to see and hear our school Concert Band and Senior Strings perform in their first major performance for the year.

If you would like any further information regarding Instrumental Music at our school for next year, or if you weren’t able to attend the meeting and would like some information to be sent home, please email me lmcro2@eq.edu.au.

Concert Band and Senior Strings performances – Brisbane Schools Music Festival
Last Saturday, our Senior Strings and our Concert Band performed at the Brisbane Schools Music Festival at Centenary State High School. Looking fantastic in their Music uniforms, our students were great representatives for our school, and behaved and performed brilliantly.

Our Senior Strings were awarded a Silver Award, and our Concert Band were awarded a Bronze award. The adjudicators both commented on each ensemble’s standard of playing, and also about how the students came together so well as a group to work with their conductor.
Thank you to our wonderful Instrumental Music teachers, Mrs Sullivan, Miss Hopsick and Miss Mannell, and a big thank you to the parents and families who came out and supported our Music students on the day.

**Senior Choir**
Our Senior Choir students will be attending the Springfield Cluster Choral Workshop Day at Springfield Central SHS on Thursday 29 October. This day is run in conjunction with the “Music. Count us In” program Australia wide, where over 600000 students around the country sing the same song at the same time, to promote Music education around Australia. There will be a concert for parents at the High School from 2:00 that day.

**Junior Choir**
Our Junior Choir students will be performing at the upcoming Junior Assembly in Week 5. More information will be sent home to parents this week.

Our Chaplaincy Service provides a breakfast club every school day in the Library Annex. This program is proudly supported by the Goodna Services Club. Children are able to come along for breakfast and chat. Recently we reintroduced our Wacky Wednesday breakfasts. On Wednesdays children get a breakfast treat like fresh fruit smoothies, fruit salad, pancakes, and spaghetti on toast or banana muffins. Everybody is welcome, and it’s a great way to start the school term.
The Springfield Lakes State School Grand Tour

Dear Parent/Carers of Boys in Years 3-6,

Your child has the opportunity to participate in the Springfield Lakes State School Grand Tour, details are as follows:

When: 6:00pm - 8:00pm Wednesday the 4th of November, 2015.

Where: Springfield Lakes State School under cover area

How Much: $15 ($7.50 per head, includes dinner, drinks and dessert)

What to bring/ wear on the night: “Dad” (of course this means preferred adult male if you can’t bring your dad, e.g. big brother, uncle, grandfather etc.) appropriate clothing with flat soled enclosed shoes, and a torch.

The Chaplaincy Service is incredibly excited to invite all Springfield Lakes State School boys from Years 3 to 6 and their “Dad” to the Springfield Lakes Grand Tour.

Historically the Grand Tour was the traditional trip of Europe undertaken by young young men of means, which served as an educational rite of passage. At the Springfield Lakes Grand Tour, boys and their “Dads” will receive a set of obscure clues to guide them through Europe (Springfield Lakes State School). On their journey, they will encounter both physical and mental challenges that will inspire greatness, test courage and build teamwork skills. The evening will commence with dinner, that has kindly been sponsored by a local Springfield Lakes business and will be concluded by a short award ceremony. We look forward to seeing you there.

Registration forms have been handed out to all Year 3-6 Boys. Please return your completed registration form and payment (cash & cheque only) to the school office by Friday 30th of October, 2015. Enquiries can be directed to Hayden Bridgeman via the school office or email: haydenb@chappy.org.au

A Representative Selection Fee (non-refundable) of $50 will be payable on or before the first training session. Players will be informed as to the approximate costs for the 2016 Representative season as soon as possible after the first training, or earlier if available.

Team training sessions are held on a Wednesday nights, so selected players are asked to ensure that they keep this night free for 2016.

Players must make themselves available to participate in all Netball Queensland competitions relating to their team and to all one day Representative Carnivals as selected by their Coach. A list of these Carnivals will be given to the Players at the beginning of their 2016 Representative Season.
