MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

I thought I might take this opportunity to explain how school funding works. Twice per year, we receive payment from the Government. As well as matters that directly impact on student learning, we have other expenses to be covered by our grant. This includes the following items:

- **Utilities** covering water, electricity, sanitation and rates. This also includes additional waste removal services. Generally, our costs are $40,000 over allocation.

- **Maintenance**. This includes plumbing and electrical work around the school. One such cost this year was the repairs to the “sink hole” that was occurring near the foot path at the hall end beside the car park. Repairs like that run deeply into our maintenance budget. The discussions held with all other possible stakeholders finished up with the school having to pay for the work. Included in maintenance is the repair of breakages. One such example is the bottom rails on our walkways around the school. Even though students know they are not allowed to stand on these rails, there are times when some children stand and bounce on these rails. This leads to breakages in the weld connecting the bottom rail to the post. We monitor student behaviour around this, but breakages still happen.

- One significant and unexpected cost we currently have is an overhaul of our fire alarm system. I am sure any body living in close proximity to the school did not appreciate being woken to a screeching alarm at about midnight 2 weekends ago. It turned out to be a false alarm.

- **Administrative costs** that includes photocopying and the service and maintenance of the photocopiers, copy paper, toner etc. With a large population of staff and students, this becomes another significant cost.

- **Equipment replacement** causes me great concern at the moment. Last year we greatly appreciated the $30,000 from our P&C to replace classroom computers. We are still not where I believe we should be in terms of classroom-based computers. However, this year I am confident we can get there. We do employ a technician out of our budget who works to “keep us running” with all things to do with Information Technology.

We are now starting to see more of our Smart boards being of an age where they need more maintenance (sounds a bit like me!) and with very high repair costs. As a result, we have been replacing worn out Smart boards with large flat screen televisions at a fraction of the cost and greater life expectancy. Having our IT tech salvage working parts from the Smart boards to extend the life of other Smart boards also help but it is becoming a constant battle.

We have another equipment replacement issue looming large on the horizon. We currently have 45 air conditioners in the school. Some of these were part of the school when it originally opened and some have been provided by the P&C. Like the Smart boards, an increasing number of air conditioners are starting to require expensive repairs and some will soon be in that place where repair is not an economically viable option. Also one reason our utilities is so far over the allocated budget is due to electricity costs.
To manage equipment replacement, schools put money aside to replace equipment as it needs to be replaced in a scheduled and planned manner based on the estimated lifespan of the equipment. However, we presently do not have enough money in our Equipment Replacement cost centre to meet all our current and impending needs. While I hope that we have no unforeseen equipment replacement costs coming up, I have been around long enough to expect the unexpected.

Through all this, student education will not be compromised. Money allocated directly to student learning will always be of the highest priority. As a school, that is our job.

The P&C does what it can to help out and that help is greatly appreciated. You can imagine that it takes a lot of Mother’s Day stalls and school discos to raise the type of money the P&C raises.

How do schools get by?

The main two ways schools get by in this day and age is through P&C fundraising as mentioned. The other way is through school voluntary contribution funds. School voluntary contribution funds are as the name suggests voluntary. However, if more of our families were to contribute to this fund, it would be greatly appreciated.

In this newsletter are details about how we have made it easier to contribute. Your help in this matter is greatly appreciated.

Kind Regards
Greg Horrigan

VOLUNTARY FINANCIAL CONTRIBUTION

SPRINGFIELD LAKES STATE SCHOOL
VOLUNTARY FINANCIAL CONTRIBUTION

Dear Parent/Caregiver

You are invited to join the Voluntary Financial Contribution Scheme for this year, which is managed by the school. From 1 January 2011, the Voluntary Financial Contribution Scheme is operated under the policy and guidelines of FNM-PR-023: Voluntary Financial Contributions.

Voluntary Financial Contribution

The scheme is voluntary and will supplement school grants for the purchase of ipads, laptops, desktop computers and projectors. The provision of this contribution ensures that our students have the most state of the art technology.

Voluntary Financial Contributions are used by the school to provide an educational service and to enhance resources available for student learning. Voluntary contributions in previous years have funded new reading resources for our library. This year’s contributions will be allocated to technology resources for all year levels.

Our contribution amount is $75 per child for the year.

We have adjusted the contribution amount to make it more affordable for families with 2 or more children. Please see below:

$75 for the first child

$70 for the second child

$65 for the third child

$60 for the fourth child to a maximum of $270 per family.

Our preferred method of payment is via BPOINT (instructions over page). Payment may also be made by credit card using the payment advice over the page, or by cash.

Thank you for your valuable contribution and ongoing support.

Yours faithfully
Greg Horrigan

Voluntary Financial Contribution Information Sheet

Each state school is resourced by the State Government through appropriation funding to provide a core educational service to students. Voluntary Financial Contributions are used by school's to provide an enhanced educational service and to enhance resources available for students learning, recreation and comfort.

Operating Statement

1. The costs of providing instruction, administration and facilities for the education of students at the school are met by the State Government for students enrolled at the school who are Australian citizens or permanent residents, or the children of Australian citizens or permanent residents.
2. The school is resourced by the State Government through school appropriation funding to provide a core educational service.
3. Section 56 of the Education (General Provisions) Act 2006 provides that the Principal may ask the parents of a student of the school to make a voluntary financial contribution to supplement government funding for instruction, administration and facilities for the education of the student at the school. If the student is an adult, the principal may ask the student to make a voluntary financial contribution.
4. Voluntary financial contributions are used by the school to provide an enhanced educational service and to enhance resources available for student learning, recreation and comfort.
5. A voluntary financial contribution is not a fee. Debt recovery action will not be undertaken by the school for non-payment of all or part of a request for a voluntary financial contribution.
6. A voluntary financial contribution is separate from a Student Resource Scheme that might operate in the school.
7. While the request to parents may indicate a nominated amount, the financial contribution to the school is voluntary, and there is no obligation on a parent to make all or part of the contribution.
8. To enable an informed decision to be made by the parent, the request for a voluntary contribution should indicate how the funds will be used by the school.
9. The school and the parents share decision-making and responsibility for the operation of the voluntary financial contribution funds. The amount of the requested contribution and the operation of the voluntary contributions are endorsed by the Parents and Citizens’ Association annually.
10. The voluntary financial contribution funds may be managed by the school or the Parents and Citizens’ Association, but not by a third party.
11. The voluntary financial contribution is not to be a deterrent for a student enrolling at the school, participating in extra-curricular activities or undertaking a particular subject.
12. Where a parent decides not to make a voluntary financial contribution, instruction, administration and facilities for the education of the student at the school will continue to be provided by the school, and the student will suffer no educational detriment by way of school action as a result of the decision.

For any payment by cash, cheque or credit/debit card, a receipt will be issued.

CHAPPY NEWS

On Wednesday the 13th of July (WEEK 1, Term 3) the 96.5 FM Family show will be taking a school excursion to Springfield Lakes State School. This means that from 6am - 9am our school community has the opportunity to be welcomed back to school with our very own radio broadcast. There will be a jumping castle, coffee van, games for the kids, an opportunity to meet Robbie and Steve from the family show, and Bill McDonald the Channel 7 News Anchor may even drop in on the 7 NEWS helicopter (if he’s available on the day). The team from 96.5 FM will provide our school community with the opportunity to see how radio works, and some lucky children will have the chance to be guest announcers.

The Chaplaincy Service will be providing a BBQ breakfast on the day, including Pancakes, Bacon & Egg Rolls, Sausage Sizzle (A price list will be issued closer to the date). The Student Council will also be running a stall on the day. Please remember that the school will not be providing supervision outside of our usual hours, so please take the opportunity to come along and have a family breakfast at school.

We hope to see you there, and look forward to welcoming you all back to Term 3

DEPUTY PRINCIPAL NEWS

2017 CANBERRA TOUR
PARENT INFORMATION EVENING

Plans are already in place for the 2017 Tour of Canberra and we invite parents of current Year 5 children to an information evening Wednesday June 22nd from 6:00pm in the staff room. At this meeting we will share plans for the 2017 tour including dates, approximate costs and an initial itinerary. We will be capping numbers for this tour as usual and will be sending home an expression of interest form with a deposit required to secure a place very early in term 3. Please call Sadet in the office on 34379888 if you will be attending the 2017 Canberra Tour information evening.
STUDENT COUNCIL BUDDY BENCHES

Bunnings kindly donated 3 ‘Buddy Benches’ to our school. The benches are a great initiative for schools as well as for those children who feel a little lost and need some extra help to find a friend at lunch times. The benches are for children to sit on during these times and other children can invite them to play. All children will be taught about the purpose of the benches and how to use them as their SWPBL lesson in week one of next term. The student council last week were very busy building and painting these benches in readiness for term 3.
COMMUNITY KICKBACKS

For every $5 that each person spends at Amart Sports, a point goes to our school. Every three months our school receives a total. For the last 3 months our school received $600 to spend on sporting goods for our children!

Every time someone makes a purchase at Amart Sports, in-store or online they just have to remember to swipe their Team Amart loyalty card or mention that you want the points to go to our school.

Join the Team Amart program and nominate our school on your account. It can be done online or simply at the cash register at your local Amart Sports store. It takes just 2 minutes.

Thanks for your support!

**Grandparent's Day**

Our Junior Choir is preparing for their first performance of the year at Grandparent's Day, on Friday 17 June. We will be holding a mini concert in the Undercover Area (near the tuckshop) starting at 10:45am, and all parents, grandparents and special visitors are invited to attend.

We look forward to seeing you there!

Thank you for your ongoing support of the Music programs at our school.

**SIGN OUT PROCEDURES**

There have been a number of parents who are coming into the school, going directly to your child’s classroom and pulling them out. The correct procedure at Springfield Lakes State School is:

- Parents must **always** come to the Administration Office as the first point of call
- Parents must **sign your child out** if they are leaving the school grounds
- Administration staff will **call your child’s class** and have them sent up to the office with their bag or
- Parents will be given a **leave pass** if the option is for them to collect their child from class.

Your adherence to Education Queensland policies and procedures would be greatly appreciated.

**BUSINESS SERVICE MANAGER NEWS**

BPOINT is an additional payment option which is available to you to pay your school invoices.
The internet web link will provide you with a method of paying school invoices from your own computer. You will need the Customer Reference Number (CRN) printed at the bottom of your invoice/statement.

Once you have entered above requested information you will receive a BPOINT transaction confirmation for your records.

If you have multiple items on your statement enter any one of the invoice numbers and enter the total $ amount. The system will then clear the entered invoice number and place the balance as a credit on your account. The school will receive a report showing the credit and will apply this credit to the remaining invoices. Alternatively you may enter each invoice separately.

Attached are visual instructions to pay with BPoint.

Speechie News!

What can we do to encourage language skills over the holidays? Here are some ideas:

1. Email a friend or family member. Tell them about your year so far (school, sport, current likes/dislikes, art/music, what you will do these holidays etc).

2. Write a lovely letter to mum and dad. Practice addressing the envelope with names, address and sender information. Put it in the mailbox as a surprise for them.

3. Organise a sleep over. Brainstorm what you will need, and what you will do. This may include food you will eat, movies you want to watch, what linen you will need, games you will play, and who you will invite. Help find your special foods at the grocery store.

4. Design a dream house (floor plan). Write down/draw what special features you would have (pool, cinema). How many rooms will it have? What will it be made of? What colours will it be? Who will live there with you? Where will it be built?

5. Schedule a fun day out and about. Make sure you have times, and places written on your schedule, and things you will need to take! (eg. camera, sensible shoes, swimmers). Don’t forget to include time for lunch!

**Dove Band Celebration**

We are Cooperative
We are Peaceful
We are Respectful

As a way of acknowledging all of the great behaviour displayed in our school, we will be holding a ‘Dove Band Celebration,’ on **Wednesday 22nd June**. Each dove band level receives a different reward.

**Blue Band**: participate in a “Cinema Event” afternoon.

**Yellow Band**: participate in free time activities in the classroom

**Red Band**: will receive an ice-block at second break

**Green Band**: are invited to bring in an appropriate toy or game (this may include a board game, electronic game or card game) to play with in the afternoon session.

**Gold Band**: participate in a special activity with the administration team and will be acknowledged at our end of year celebration parade.

It is great to see so many students following our school expectations and working hard to achieve a dove band level.

Congratulations to all students who have worked hard to reach their respective levels.
SPRINGFIELD CENTRAL STATE HIGH SCHOOL - MAGNA PROGRAM

Springfield Central State High - MAGNA Academic Excellence Program

History:
In 2012, we launched our Magna (academic excellence) program, specifically designed to support and foster the development of high achieving students. Magna is the Latin word for great, which aligns closely with our school motto, scale great heights, and sets the tone for the program.

How it works:
Magna academic excellence classes offer students with high academic achievement a differentiated curriculum, which extends on learning opportunities and focuses on the development of higher order thinking skills. The purpose and pace of Magna classes is designed to engage and motivate high achieving students to scale great heights.

Magna classes run across core subjects, but do not impact on elective classes. In each year level, there are 2 strands of Magna classes. The strands are English/Humanities and Maths/Science. Students will be allocated places in either or both of the strands based on their results and ability levels in each.

Magna classes operate on a differentiated curriculum. While these classes are based on the National Curriculum, they also offer many opportunities for students to be challenged and stretched academically.

Academic Partnerships:
Our MAGNA Program works with both the University of Southern Queensland and The Queensland Academies to engage and enrich the offerings of the MAGNA program.

How to Apply:
MAGNA applications are now open for 2017 classes. The application forms are available on the Springfield Central State High website:

https://springfieldcentralshs.eq.edu.au/Curriculum/Excellenceprograms/Pages/Excellenceprograms.aspx

Application closing dates are the 22nd July 2016. If you have any questions about the program please forward your queries to:

BEFORE, AFTER & VACATION CARE.

We are drawing close to the Winter school holidays. Have you booked in yet? Get your booking forms in as places are filling up fast. We have many fun themed days. Come and see the YMCA educators dressed in their pyjamas or experience a day pretending to be a master chef.

Our service has just been assessed for National Quality Framework. This is to see if our service is providing the best quality care for all children and that we following the national quality framework guidelines. We look forward to our results that will be posted to us in the next few weeks.

This week our focus is Nutrition. Learning about the food pyramid and introducing new healthy recipes to our menu implemented by the children. Extending from the nutrition program we are moving into healthy bodies and helping the children prepare for the upcoming School Athletics day coming up.

Triathlon Queensland is hosting the Greater Springfield Duathlon in Springfield on
Sunday 31 July 2016.
The Greater Springfield Duathlon is perfect for the whole family as there are distances
suited to all levels of experience. Without the swim, it’s the perfect race to warm up a
chilly Sunday morning!
These are the events available:
- Mini Kids (7-9 yrs old) – 350m run, 2km ride, 350m run
- Tri-It-Out (10+ yrs) – 1.5km run, 8km ride, 1.5km run
- Sprint (14+ yrs) – 5km run, 20km ride, 2.5km run
- Full Distance (18+ yrs) – 10km run, 40km ride, 5km run
Please contact Emma on 3369 9600 or support@qld.triathlon.org.au for more
information.
