MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

Road Safety
It has come to my attention that some of our students aren’t always being responsible when coming to school and going home from school. What has been happening is students being on the road playing what appears to be a game of chicken with cars. This is not a good practice. Nobody wants to see children getting injured and playing on busy roads is a dangerous practice. Presently, I do not have the names of the student involved but hope to be able to identify them. Last Friday morning, there was a boy in the middle of a reasonably busy road apparently showing off to his friends by spinning his scooter around his head. Again this is dangerous behaviour. We will repeat road safety messages to students and would also appreciate it if you spoke to your children as well.

While on Road Safety, I would like to give reminder about traffic queuing up to the roundabout after school. Please be mindful of not blocking pedestrian access to road crossing areas. As drivers, we need to be responsible for our own behaviour around school. The examples we set are the ones our children generally follow. Please be setting the good example especially with crossing the roads. Our school is no different to so many schools where pick up and drop off means we have increased traffic before and after school. Please don’t encourage practices that have children moving in and out between cars.

School Holidays
I hope all our students have an enjoyable and safe break over the holidays. We look forward to having them back next term energised and ready to go again!

School Watch
Parents and students can help take care of our school by reporting any suspicious after-hours activity to School Watch on 13 17 88. By keeping an eye out we, can work together to create a safer school community and help to reduce vandalism, theft and arson in our school.

If you see something suspicious, please don’t intervene. Call the School

Kind Regards
Greg Horrigan

REMOVAL OF BPAY FUNCTIONALITY

Dear Parents

With the introduction of BPOINT to schools earlier this year, this is now our preferred method of payment for all invoices/accounts and the BPAY functionality will be removed.

BPOINT is an online system to pay school invoices for example School fees, excursions, camps etc. Payments that are accepted are MasterCard and Visa and cardholder details are securely held. There is a link for parents on our website for BPoint. For those who haven’t previously used BPoint, when you receive an invoice from the school it is an easy process to finalise a BPOINT payment as displayed below. You just need to put in your individual CRN number which is displayed on the bottom left of your invoice along with the Invoice Number, EQ Id and student’s name.

BPAY Function Removal

Unfortunately this means that we will be removing the BPAY functionality on the last day of August 2016.

Thanks for your help with this request.

Regards

Business Service Manager
Dear Parent/Caregiver

You are invited to join the Voluntary Financial Contribution Scheme for this year, which is managed by the school. From 1 January 2011, the Voluntary Financial Contribution Scheme is operated under the policy and guidelines of FNM-PR-023: Voluntary Financial Contributions.

Voluntary Financial Contribution

The scheme is voluntary and will supplement school grants for the purchase of ipads, laptops, desktop computers and projectors. The provision of this contribution ensures that our students have the most state of the art technology.

Voluntary Financial Contributions are used by the school to provide an educational service and to enhance resources available for student learning. Voluntary contributions in previous years have funded new reading resources for our library. This year’s contributions will be allocated to technology resources for all year levels.

Our contribution amount is $75 per child for the year.

We have adjusted the contribution amount to make it more affordable for families with 2 or more children. Please see below:

$75 for the first child
$70 for the second child
$65 for the third child
$60 for the fourth child to a maximum of $270 per family.

Our preferred method of payment is via BPOINT (instructions over page). Payment may also be made by credit card using the payment advice over the page, or by cash.

Thank you for your valuable contribution and ongoing support.

Yours faithfully
Greg Horrigan

Voluntary Financial Contribution Information Sheet

Each state school is resourced by the State Government through appropriation funding to provide a core educational service to students. Voluntary Financial Contributions are used by school's to provide an enhanced educational service and to enhance resources available for students learning, recreation and comfort.

Operating Statement

1. The costs of providing instruction, administration and facilities for the education of students at the school are met by the State Government for students enrolled at the school who are Australian citizens or permanent residents, or the children of Australian citizens or permanent residents.
2. The school is resourced by the State Government through school appropriation funding to provide a core educational service.
3. Section 56 of the Education (General Provisions) Act 2006 provides that the Principal may ask the parents of a student of the school to make a voluntary financial contribution to supplement government funding for instruction, administration and facilities for the education of the student at the school. If the student is an adult, the principal may ask the student to make a voluntary financial contribution.
4. Voluntary financial contributions are used by the school to provide an enhanced educational service and to enhance resources available for student learning, recreation and comfort.
5. A voluntary financial contribution is not a fee. Debt recovery action will not be undertaken by the school for non-payment of all or part of a request for a voluntary financial contribution.
6. A voluntary financial contribution is separate from a Student Resource Scheme that might operate in the school.
7. While the request to parents may indicate a nominated amount, the financial contribution to the school is voluntary, and there is no obligation on a parent to make all or part of the contribution.
8. To enable an informed decision to be made by the parent, the request for a voluntary contribution should indicate how the funds will be used by the school.
9. The school and the parents share decision-making and responsibility for the operation of the voluntary financial contribution funds. The amount of the requested contribution and the operation of the voluntary contributions are endorsed by the Parents and Citizens’ Association annually.
10. The voluntary financial contribution funds may be managed by the school or the Parents and Citizens’ Association, but not by a third party.
11. The voluntary financial contribution is not to be a deterrent for a student enrolling at the school, participating in extra-curricular activities or undertaking a particular subject.
12. Where a parent decides not to make a voluntary financial contribution, instruction, administration and facilities for the education of the student at the school will continue to be provided by the school, and the student will suffer no educational detriment by way of school action as a result of the decision.

For any payment by cash, cheque or credit/debit card, a receipt will be issued.

Mary had a little cold,  
But wouldn't stay at home  
And everywhere that Mary went  
The cold was sure to roam.

It wandered into Molly’s eyes  
And filled them full of tears.  
It jumped from there to Bobby’s nose  
And thence to Jimmy’s ears.

It painted Annie’s throat bright red  
And swelled poor Johnny’s head,  
Dora had a fever  
And a cough put Jack to bed.

The moral of this little tale,  
Is very quickly said—  
Mary could have saved a lot of pain  
If she’d stayed at home in bed!

BOOK FAIR

Our second Book Fair for 2016 is coming soon. It will be held in the library from Monday October 10th until Friday October 14th. Children will visit the Book Fair during their normal borrowing time to avoid class disruption. They can either bring cash purchasing books straight away, or take their wish list home for parents to pay online, collecting the books the next day. Parents can visit the Book Fair before and after school each day and EFTPOS is available. There will also be posters, pencils, erasers etc. available for purchase too. Once again students who purchase will go into the draw for a $25 Book Voucher. There will be 2 of these to give away and can be used for either Book Club or Book Fair purchases. The Book Fair will be open from 8.15 each morning and most afternoons (closed Tuesday afternoon) until 3.30pm. Students can also purchase at lunch times.

Choir – Senior and Junior

Singfest

Last week, our Senior Choir students participated in Singfest, along with over 200 students from Woodcrest, Augusta, Greenbank, Oxley, Pallara, Boonah, Harrisville and Middle Park schools. They spent the day working on the pieces they’d been learning for the past few months with our guest conductor Tim Sherlock, and then they performed all the pieces in a fantastic concert that evening. Thank you to all the families who came along to our wonderful performance – it’s always great to see such a large, supportive and appreciative audience!!

Springfield Cluster Choral Workshop Day
Our Senior Choir will once again be attending the Springfield Cluster Choral Workshop Day at Springfield Central SHS on Thursday 3 November. We hold this day in conjunction with Music Count Us In, where students all across the country come together and sing one song to promote Music Education across the country. More information for the workshop will be sent home early next term.

Rehearsals
Senior Choir rehearsals will recommence on Friday 21 October (week 3) for all Senior Choir students.

Junior Choir rehearsals will recommence on Thursday 20 October (week 3) for all Junior Choir students.

Instrumental Music – Upcoming performances for all students
All Instrumental Music students (Junior Band, Senior Band, Junior Strings and Senior Strings) will be participating and performing at 2 events in week 3 of next term. Firstly, all students will be performing at the New Instrumental Music Parent Information Meeting on Tuesday 18 October, at 3:30pm. Our second performance for all students will be on Saturday 22 October at the Brisbane Schools Music Festival at Centenary State High School. Times for this performance are still to be announced by the organisers, and families will be informed as soon as possible. Please put these very important performance dates in your diaries, as all Instrumental Music students are expected to perform at both events. Further information has been sent home with all students this week, and further information will be sent home straight after the holidays.

Junior Band – rescheduled rehearsal times, Weeks 1-3 Term 4
In preparation for their upcoming performances, students in the Junior Band will need to have their Monday rehearsals and lessons rescheduled due to the upcoming Monday Public Holiday and Pupil Free Day. Next term’s rehearsal times for Junior Band will be –

Week 2 (Wk beg. 10 Oct.). Band rehearsal as normal (Monday before school). Monday lessons as normal. Wednesday lessons as normal.

Week 3 (Wk beg. 17 Oct.). **No Monday rehearsal (Pupil Free Day)** Tuesday New Parent Meeting performance; **Wednesday after school rehearsal (3:15 – 4:00)**. All lessons on Wednesday of this week.

All Junior Band rehearsals and lessons will return to normal from Week 4 (24 Oct.)

**New Instrumental Students – 2017**

**SIGN OUT PROCEDURES**

There have been a number of parents who are coming into the school, going directly to your child’s classroom and pulling them out. The correct procedure at Springfield Lakes State School is:

- Parents must **always** come to the Administration Office as the first point of call
- Parents must **sign your child out** if they are leaving the school grounds
- Administration staff **will call your child’s class** and have them sent up to the office with their bag or
- Parents will be given a **leave pass** if the option is for them to collect their child from class.

Your adherence to Education Queensland policies and procedures would be greatly appreciated.
BPOINT is an additional payment option which is available to you to pay your school invoices.

The internet web link will provide you with a method of paying school invoices from your own computer.

You will need the Customer Reference Number (CRN) printed at the bottom of your invoice/statement.

Once you have entered above requested information you will receive a BPOINT transaction confirmation for your records.

If you have multiple items on your statement enter any one of the invoice numbers and enter the total $ amount. The system will then clear the entered invoice number and place the balance as a credit on your
account. The school will receive a report showing the credit and will apply this credit to the remaining invoices. Alternatively you may enter each invoice separately.

Attached are visual instructions to pay with BPoint.

Growth Mindset
(Creating a positive attitude to learning)

What is it?
People with a growth mindset believe they can make improvements, as long as they put in effort and remain positive.

Why is it useful?
Having a growth mindset will prepare children for the challenges of the classroom, and later on when they leave school. It will assist them to become resilient and persistent when faced with a challenge. It also assists them to focus on the learning process and what they did well, rather than the result. They then have the motivation to be able to take on new things, or attempt something again, perhaps in a different way (problem solving).

“Growth minded language motivates students to ensure they remain persistent, resilient, and focused on the process of learning. It is important to give learners feedback about how their process leads to a result so they can understand that their abilities will develop with effort.”
What can we do at home to encourage this?

Children should be given praise which focuses on ‘how’ they achieved something, rather than the fact that it was right or wrong. You can also encourage your child to change their thinking:

<table>
<thead>
<tr>
<th>What Can I Say To Myself?</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Instead of:</strong></td>
</tr>
<tr>
<td>I'm not that good at this.</td>
</tr>
<tr>
<td>I'm awesome at this.</td>
</tr>
<tr>
<td>I give up.</td>
</tr>
<tr>
<td>This is too hard.</td>
</tr>
<tr>
<td>I can't make this any better.</td>
</tr>
<tr>
<td>I just can't do maths.</td>
</tr>
<tr>
<td>I made a mistake.</td>
</tr>
<tr>
<td>She's so smart. I'll never be that smart.</td>
</tr>
<tr>
<td>Plan A didn't work.</td>
</tr>
<tr>
<td>It's good enough.</td>
</tr>
</tbody>
</table>

If parents want to give their children a gift, the best thing they can do is to teach their children to love challenges, be intrigued by mistakes, enjoy effort, and keep on learning. That way, their children don't have to be slaves of praise. They will have a lifelong way to build and repair their own confidence.
