
Dear Parents and Carers

Prep Enrolments
We are taking Prep enrolments for 2012. We have already filled three (3) classes and expect to fill the fourth (4th) by the end of this term. Please advise your friends and neighbours to enrol their children born between 01.07.2007 and 30.06.2008 as soon as possible.

Prep Date Claimer  22nd October
On Monday 22nd October we are having an open morning for our 2013 Prep children. Please make a note in your diary and let all your friends know with Prep aged children.

Arts Showcase
The performing and visual arts play a huge role in society. Next Friday evening, 7th September, we are holding our Arts Showcase. A tremendous amount of work has been undertaken to prepare for this event. I look forward to seeing you there on the night.

2012 Children’s Book of the Year Awards
The winners of the Children’s Book Council of Australia 2012 Book of the Year Awards have been announced. The Book of the Year Award for Older Readers went to Scot Gardner for his book The Dead I Know while Cate Constable took out the Book of the Year: Younger Readers Award for Crow Country. Nick Bland was awarded the Early Childhood Award for his The Runaway Hug and the Picture Book of the Year Award went to Bob Graham, for A Bus called Heaven. Full details on the winners and runners up in each of the award categories can be found at www.cbca.org.au/winners_2012.htm

Smoking in School Grounds
I wish to remind all parents that smoking is not permitted on school premises. Should you be a smoker please move away from the school gates.

Two Minute Zone (from Queensland Transport)
Parking around schools is limited and drivers have been parking in the Two Minute zones, the No Stopping/Standing/Parking zones and bus stops. These actions are not only illegal, but are also dangerous for children travelling to and from school. Police and councils have advised they will visit schools periodically during the year to issue traffic offence notices to offending drivers.
The success of the Two Minute zone requires cooperation from all parents to ensure the quick movement of vehicles around the school. Please observe the strict time frames for these areas and only stay in the area for as long as it takes to get the children into or out of the car. Drivers must not park the car in these signed areas and then go into the school with their children, or to collect them. It has been reported that in some instances parents stop their car and stay in it waiting for somebody to take their children to class and then come back. PLEASE NOTE! This area is designed to keep the vehicles moving and it should not be used in this manner.

Tools for School
As the year progresses children make use of the ruler, pencils, scissors, erasers, books, glue etc. which you purchased at the beginning of the year. Please take the time to check your child’s pencil case and replace the items which have been used.

My warm regards
Peter Doyle
Principal
CURRICULUM NEWS

Out and About app helps children learn
Parents and carers can download a range of DETE’s popular free apps. One of the department’s most popular apps is *Out and About* sight words kit aimed at Prep to Grade 2 students to help them master the first 100 sight words to which they are typically introduced. *Out and About* has been designed for young children. Kids love using their parents’ smart phones and they love mastering each set of the *Out and About* App sight words. In no time at all, your younger will be ready to zoom through entry-level books. *Out and About* can be downloaded from the iTunes App store.

Warm regards

Last Monday saw 53 of our Senior Choir students participate in the annual EQ SingFest event. The students worked really hard during the day, learning and rehearsing new and old songs, and then finally put on a wonderful concert for parents in the evening.

Here’s what some of our choir students thought…

“Singfest was great. Everyone was happy to be there. The songs that the conductor taught us were fun and joyful and the harmonies and melodies fitted together really well. It was amazing!”

“Singfest is always awesome! We sing cool songs and meet people from different schools. I wish I could do Singfest forever!”

“I just love spending the whole day singing. It’s really cool to sing with a big group, it makes you feel really good!”

“Singfest was so awesome. My favourite song was all of them!”

“Singfest was a brilliant performance. I loved it, especially Ancient City!”

Thank you to everyone who came along and supported us on the night, and especially to Rachel Gambarini for her help throughout the day.

**SPORTS NEWS**

**P-3 Sports Day**

**Wednesday 5th September 2012**
Central District Touch Football
Congratulations to all of our students who participated in the Central District touch football competition. The event was held over four Gala Days and the behaviour of the students was exceptional.

The Junior Girls’ team defeated Collingwood Park SS to gain their spot in the Grand Final. They then beat Woodcrest to become the winners of the B division competition. The Senior Girls made it to the playoffs for 3rd and 4th in the B division, and unfortunately were defeated by Collingwood Park SS.

Our junior boys had two teams in the B division competition. Team One secured their spot in the Grand Final and went on to beat Woodlinks SS in extra time to become the winners of the competition. Team Two came third in the competition beating Collingwood Park SS in the playoffs for 3rd and 4th.

I would like to thank all of the players for a great effort, as well as Mrs Bowman for her assistance at the Gala Days.

Kind Regards
Richard Chadwick

District Athletics
I would like to congratulate our district athletics competitors for an outstanding effort over the 2 day carnival. Our school came 2nd overall, which was the best result our school has ever achieved. The following students made it through to the Regional Carnival which will be held at QSAC on the 6th, 10th & 11th September:

- Jo Dee Douangchai: 100m, 200m & Relays
- Keynan Tauakipulu: 100m, Long Jump & Relays
- Maisie Clarke: 800m
- Tristan Jackson: High Jump
- Tammin-Lee Todd: Long Jump
- Kuini Latu: Shot Put
- Chloe Ackland: Relays
- Holly McQueen: Relays
- Caitlin Smith: Relays
- Jordan Dwyer: Relays
- Lamese Faleali‘i: Relays
- Kai Hallett: Relays
- Sean Ryan: 800m
- Tiaan Tauakipulu: Shot Put & Discus
- Daniel Rigor-Jones: Long Jump
- Robert Hay: Shot Put
- Stefan Carlton: 800m

The 10yr Boys & 10yr Girls Relay Teams also made it through to the Regionals.

Well done everyone!
COLES SPORTS FOR SCHOOLS VOUCHERS
We currently have 60,000 vouchers. All vouchers need to be returned asap to the office as they need to be counted and then I have to post them by the 10th September to order our wish list of sports equipment.

STUDENT ABSENCE LINE
Parents are requested to call the Student Absence Line on 3437 9860 to advise the school if your child/ren will be absent.

STUDENT PERSONAL DETAILS
We are reminding parents to ensure that all contact details are up to date. We have had a number of incidents of late where we have needed to contact parents due to accident or illness and the phone numbers that we have on file are incorrect or have been disconnected.

MESSAGES TO STUDENTS
We are receiving an increasing number of messages to pass on to students in relation to end of day arrangements/pickup. It becomes extremely difficult to pass these messages on to students when we receive calls from parents minutes before the bell. We ask families to please make arrangements before leaving in the morning.

MOBILE PHONES
Bringing mobile phones to school is not encouraged by the school because of the potential for theft and general distraction and/or disruption associated with them. However, we understand that on occasions parents require their children to have a mobile phone. This is to be logged into the office on arrival at school, with the mobile phone register being signed. Children collect their phones and sign them out in the afternoon.

PEANUT AND OTHER NUT ALLERGIES
Parents are requested not to provide lunches or snacks containing nut products for children attending Springfield Lakes State School. This is to protect the significant number of students who have anaphylactic allergies to even traces of peanuts and other nuts. Some of these students are so allergic that even a minute amount of peanut butter or Nutella could cause an anaphylactic reaction. Please do not send Nutella, peanut butter sandwiches or other snack products to school that could put other students at risk.

Thank you for helping us keep all of our students safe.
When packing lunches for our children please keep in mind convenience is not always the best solution. The small cans of spaghetti or fruit with the pull ring lids are a very convenient solution for a meal but have also caused nasty accidents for little fingers. Please be mindful of this and perhaps take the time to open and pour the contents into a small plastic container.

**MR DOYLE LIKES DOGS**

While Mr Doyle likes dogs not all dogs like each other. Please do not bring your dog to school as some dogs bite and some dogs like to fight.

The past fortnight has been a rather busy one for the school’s chaplaincy service. Last week I had the pleasure of attending the Ipswich Cares dinner. It was a lovely night and it was great to hear about how the City of Ipswich is working towards not only caring for the people of Ipswich but also leading the way in caring for other communities around the world.

Chaplaincy Days in 2012 are Mondays, Tuesdays & Wednesdays. If you have any questions about the Chaplaincy Service and the support we are able to provide to you or your children, or you’d just appreciate a yarn, please feel free to contact me via the school office or email haydenb@chappy.org.au.

I Care... We Care... Ipswich Cares
Springfield Lakes State School supports ‘Ipswich Cares’, an initiative with Compassion Australia that challenges the City of Ipswich to give to help an overseas need. During September, residents of Ipswich are asked to donate a dollar at money spinners located at Orion Springfield Town Centre and Booval Fair. All money raised will be used to support Compassion’s Water for Life program.

The Water for Life program enables Ipswich to become part of the solution to one of the greatest and most urgent needs in developing countries today, access to clean, safe and drinkable water. Your help will see children in remote areas around the world receive a simple cost-effective water purification system that will provide them and their families with clean, safe water for a lifetime.

Partnering with Purpose:-
Making Time for kids
Exciting New Program at Springfield Lakes State School
Partnering with Purpose - Making Time for Kids is starting soon at Springfield Lakes State School. This program will be available to those children who are finding the school environment challenging for various reasons. We are asking for volunteers who can give a child an hour of their time to take a special interest in them, in order to help them to feel more valued and supported, and to encourage them to be more active participants in the classroom situation. A caring adult who gives a child one hour a week of their undivided attention can make a real difference in that child’s life.

The mentor and child would spend time together doing something agreed to by both e.g. reading, playing a game, helping with an assignment, art and craft or supervised computer work such as Mathletics. The mentor would build a positive relationship with the child, to help improve their self esteem, confidence and overall resilience.

How Can You Help?
Maybe you or someone you know would be suitable for such a worthwhile program.

Please contact Hayden Bridgeman for further information – 3437 9888 or haydenb@chappy.org.au

Free Triple P Group Course
We would like to invite you to our free Triple P Group Course, these are more in depth than our evening seminars and covers a wide range of parenting solutions, it also includes follow up phone calls to help you in your progress in implementing the principles of the program.

Group Programmes
What will I learn in a Group Triple P Course?
You’ll learn about:
- Effective parenting strategies.
- How to promote your child’s development.
- How to manage common child behaviour problems.
- Principles to help you deal with almost any situation that might arise.

How much time will it take and how many people are in a group?
The great thing about doing a Triple P Group Course is that the groups are small (typically 10 – 12 people) and you’ll feel immediately at home with a group of parents who all want the same thing – to do the best for their kids and have an enjoyable family life! Groups are run by an accredited Triple P practitioner. These will be run over one day with follow up phone conversations addressing your individual progress.

Our group programs start in Ipswich on the 18th of August

Parent Comments about the group program
"I am so glad I did this program. I feel a lot more confident as a parent and my son knows what to expect. Consistency is the key for me. Thank you."

"It has helped me to see that not all the problems were my son’s behaviour, but how I dealt with them. The biggest changes came in my own behaviour."

"I want to thank you for giving me other ways to deal with problem behaviour instead of yelling and getting no-where. I am definitely feeling more confident."

"Excellent. Every parent should do this course. Many thanks."

"Gave me a lot more confidence as a parent. Good strategies for managing bad behaviour that work. Good ideas for parenting e.g. importance of positive actions (praise) and that they really make a big difference. It would be great if this programme was made more known to parents. It would have been of great benefit to use before my son reached the terrible 2s. We probably wouldn’t have fallen into some of the traps (e.g. giving in, smacking, etc.) that we initially did before seeking help. I’m sure we will have better parenting skills with our daughter than we initially did as first time parents. Great Programme – thanks, you saved us!!"

"Excellent. Has helped my husband and I to work together with the same treatment for kids from both of us."

"The best part was meeting with other people, discussing your problems and finding out about little things you can do – star charts, praise and spending quality time, and I don’t want to leave the group"

“Inspiring children, young people and their families to Connect, Relate and Contribute to reach their true potential”
The Butterfly Wings Child Parent Program started as a pilot program at the Springwood Community Centre in February 2004 supported by the Logan East Community Neighbourhood Association (LECNA). A Telstra Foundation Community Grant funded the program for twelve months in 2004/2005.

Butterfly Wings Child Parent Programs are free, research based, (Fraser Mustard, Dr Bruce Perry, Dr Frank Oberklaid, Dr Lise Eliot and many others) long term, universal, community parenting programs helping children (birth to school age) and adults to form secure attachments. Programs are delivered by speech pathologists, occupational therapists, educators, child health nurses, social workers, refined teachers, school chaplains and community members who are all trained facilitators.

The aim of the program is to provide free quality early childhood intervention programs for families and to develop a community of learners to improve the social, emotional, intellectual and physical outcomes of children. To assist parents understand early literacy skills, contemporary early years brain development. For parents to acquire child development knowledge and to develop a repertoire of rhymes, songs to share with their children whilst developing routines and learning language. It aims to provide opportunities for children to develop language, literacy and listening skills whilst they engage in singing nursery rhymes and songs and games. Children will have an opportunity to use social skills as they interact with adults and other children.

There are now over 35 licensed Butterfly Wings Child Parent Programs being delivered across SE, SW, Central and Far North Queensland.
