MESSAGE FROM THE PRINCIPAL VOL 09.12 7th June, 2012

Dear Parents and Carers

High Expectations

Research has shown that setting high expectations for children at school is an important factor in promoting children's learning. At Springfield Lakes State School we promote high expectations through our Responsible Behaviour Plan for Children, our uniform policy and through classroom procedures.

Recently the teaching staff discussed expectations relating to the presentation of work. The school wide expectations, commencing in Year 2 are outlined below.

BOOKWORK EXPECTATIONS

- *We use a sharp lead pencil or blue/black pen for writing as directed by your teacher.*
- *When writing, we draw up a straight margin using a red pencil/pen (as directed by your teacher) and a ruler.*
- *The date is always written at the top of our work.*
- *Our writing is neat, well sized, close together and spaced correctly on the lines.*
- *Our drawings and colouring in reflect our best effort.*
- *Headings are underlined with a ruled line.*
- *We use all pages in our book.*
- *If a mistake is made we use a single line to cross it out.*
- *Our sheets are neatly trimmed to size.*
- *Sheets are stuck into books properly – the corners are not flapping, sheets are straight.*
- *We make sure we get our work corrected every time.*

I thank you for the support you, the parents and carers give the staff as we encourage your children to be the best they can be.

National Cyber Security Awareness Week

National Cyber Security Awareness Week is an Australian Government initiative, held annually in partnership with industry, community and consumer groups and state and territory governments. The 2012 Awareness Week is from 12 to 15 June.

Awareness Week helps Australians understand cybersecurity risks as well as educating home and small business users on the simple steps they can take to protect their personal and financial information online.

We are conducting an information session for parents at 6:00pm next Tuesday, 12 June, in our school hall. I hope you will be able to attend. In the meantime here are ten tips for cyber security.

Whether or not you're able to get involved in National Cyber Security Awareness Week, remember these ten simple tips for better online security:

- Install and update your security software; set it to scan regularly.
- Turn on automatic updates on all your software, particularly your operating system and applications.
- Use strong passwords and different passwords for different uses.
- Stop and think before you click on links and attachments.
- Take care when transacting online – research the supplier and use a safe payment method.
- Only download "apps" from reputable publishers and read all permission requests.
- Regularly check your privacy settings on social network sites.
- Stop and think before you post any photos or financial information online.
- Talk with your child about staying safe online, including on their smartphone or mobile device.
- Report or talk to someone if you feel uncomfortable or threatened online – download the Government Cybersafety Help Button.

Message from Police

Please be advised that two high schools across the Ipswich Policing district have been approached by a group called **BONGO Street Team**.

This group is photographing students entering school and then providing them with a wristband (as below) for students to then view the taken photos.

Students view these photos by messaging (SMS) **197BONGO** whereby they are to provide their name and suburb for a cost of \$4.50 – to retrieve information about themselves and other persons.

Police are aware and are making full enquiries of this organisation which is attached to FACEBOOK.

Students are to be aware of their personal and right to safety **at all times** by ensuring their personal information is protected and their personal identity safe, by not providing this information to people they do not know.

*If students are engaging on the social network pages i.e. FACEBOOK they are encouraged to protect their information by **NOT** providing their name, date of birth, address and phone/mobile number, downloading photos of themselves in uniform which could attach them to schools, sporting activities, etc and ensure that the persons listed are friends they know and have met.

They are also advised to ensure their privacy setting allows **friends only** to view their page, otherwise personal information and their identity can be opened up to scamming, identity theft and fraud, which could also put their safety at risk.

Gambling Community Benefit Committee

I am delighted to join the school's Parents and Citizens in advising you that the P&C have been successful in their grant application for funding for a a fitness playground for our older children. Arrangements will commence shortly for the installation of this new equipment.

Principal's Conference

When you have the opportunity to read this newsletter I will be attending the annual conference of Queensland State School principals. I trust you enjoy the long weekend.

My warm regards

Peter Doyle
Principal

DEPUTY PRINCIPAL NEWS

FACT-A-THON

Next week, the children will be taking part in a Fact-a-thon. The Fact-a-thon is a chance for the children to sharpen their number skills, while at the same time raising much needed funds for the P & C.

It is an activity which is focused on children and their learning. All children in years 1 to 7 will take part with the Prep classes conducting a skip-a-thon with counting **next term**.

The notes for the Fact-a-thon have been distributed to all year 1-7 classes last week and should have been sent home.

The test of the number facts will be held in week 9. Children's test sheet will be sent home following this. All moneys not returned need to be returned to the **Front Office by Wednesday of week 10**.

Please try to help your children get as many sponsors as possible. A donation is preferred rather than an amount for each fact. **There will be a pizza party for the year 1-3 class and the year 4-7 class with the greatest child participation.**

Also be aware that children should, under no circumstances, be asked to knock on doors of neighbours on their own searching for sponsors.

Grandparents' Day

Grandparents' Day at Springfield Lakes is usually a Term 2, Education week 7 activity. Disappointingly this year, it has clashed with several other activities which the school is involved in. At our most recent staff

meeting the teachers voted to celebrate Grandparents' Day in November to coincide with the International Grandparents' Day in early November. We will advise you of the date after we consult our diary for other commitments, in plenty of time to invite grandparents and special friends.

Kindest Regards
Alexis Hay
Deputy Principal

Year 5 Camp

Thank you for sending in your Expression of Interest in regards to your child attending the Year 5 camp at Camp Warrawee in September. Notes went home this week with the final cost of the Year 5 camp based on how many children indicated they will be attending the camp. You can begin to make payments towards this camp using the payment options mentioned in the letter. More information in regards to the camp will go home early next term.

Pick Up Zone

You might be aware of a process that we ran last year where parents displayed their child's surname on the dashboard of their car on a laminated coloured sheet so that it made it easier for the staff members at the 'pick up' area to locate your child in the line as quickly as possible. We would like to run this process again. If you wouldn't mind displaying your child's surname on your dashboard, could you please leave this information with the front office staff and we will print and laminate this onto a card and give to your child to take home.

Donations of Games/Puzzles/Lego

As part of our SWPBS process we are looking at creating a room at lunchtimes where children who are displaying ongoing problem behaviour can access a program run by staff that will upskill them with the necessary strategies to be able to interact cooperatively, peacefully and respectfully with others. This process will be run using a program called 'Game Factory'. This program aims to help the staff, students and parents of a primary school create a safe learning environment in which students train to be independent, self-managing, self-motivated learners in persistent pursuit of their personal best and able to get along with each other – to help develop students with empathy, good character and decency with the social and emotional competencies to live and learn well. The children are taught these skills through engaging in 'games' with others. For this program to run successfully we need resources. If you have any old board games, puzzles, lego or construction materials that you no longer require, we would love to use these in our room. If you are wanting to make a donation of any of the items mentioned above, can you please leave these items with the front office staff. We appreciate any contribution that you can make towards resourcing this room with the necessary materials needed to improve the social, emotional, physical and mental health of our children. Thank you in advance for your help.

Kindest Regards
Louise Whittering
Acting Deputy Principal

Entertainment Books

If anyone has any **Entertainment Books** that are outstanding, can you please bring it back to the school or pay for it if you want to purchase it.

School Banking

Through the school you can set up a **CommonwealthBank Account** for your child and deposit money into it regularly. This encourages children to save. Heather Burnett will be sitting at the **uniform shop** on Wednesday morning from 8.30 to 9.00am for anyone who wants to set up an account or give her their bank book so she can stamp it there. Then they can take the book with them with the feeling of having visited the bank.

SPORTS NEWS

I would like to acknowledge the great sporting abilities of Benjamin Meade and KeynanTauakipulu. These boys were both chosen to play for a local Oz Tag team and played in the Qld Cup Oz Tag Competition back in Term 1. From this comp a Qld side was selected. The boys were both successful in being chosen for the U/11 squad. They will be playing on the 23rd June against NSW in the Oz Tag 'State of Origin' competition.

Congratulations boys and what an amazing achievement.

STUDENT ABSENCE LINE

Parents are requested to call the Student Absence Line on 3437 9860 to advise the school if your child/ren will be absent.

PERSONAL DETAILS

Kindly remind parents to ensure that all contact details are up to date. We have had a number of incidents of late where we have needed to contact parents due to accident or illness. Some of the numbers that we have on file are incorrect or have been disconnected.

MOBILE PHONES

Bringing mobile phones to school is not encouraged by the school because of the potential for theft and general distraction and/or disruption associated with them. However, we understand that on occasions parents require their children to have a mobile phone. This is to be logged into the office on arrival at school, with the mobile phone register being signed. Children collect their phones and sign them out in the afternoon.

PEANUTS AND OTHER NUT ALLERGIES

Parents are requested not to provide lunches or snacks containing nut products for their children attending Springfield Lakes State School. This is to protect the significant number of students who have anaphylactic allergies to even traces of peanuts and other nuts. Some of these students are so allergic that even a minute amount of peanut butter could cause an anaphylactic reaction. Please do not send Nutella, peanut butter, peanut wafers or other snack products to school that could put other students at risk. Your help in helping us keep all of our students safe.

When packing lunches for our children please keep in mind convenience is not always the best solution.

The small cans of spaghetti or fruit with the pull ring lids are a very convenient solution for a meal but have also caused nasty accidents for little fingers. Please be mindful of this and perhaps take the time to open and pour the contents into a small plastic container.

Bahá'í Education in State Schools: Information for Parents

Bahá'í religious education classes are being offered at Springfield Lakes State School this year, 2012. The **emphasis of these classes is on learning to think, reflect and to apply spiritual principles to the life of the individual and society.** They are based on a strong belief in the nobility of all human beings and that every child is a "mine rich in gems of inestimable value". These "gems" are spiritual qualities or virtues such as unity, kindness, love, justice, truthfulness and service. These qualities are explored in the class through the memorization of a quote (e.g "In the garden of thy heart plant naught but the rose of love...") the students then participate in a range of activities (prayer, song, story, drama, cooperative games and art) that assist them in their understanding and application of the spiritual quality.

While inspired by the principles and ideals of the Bahá'í faith, Bahá'í education classes are not classes of religious indoctrination. The moral principles they seek to impart are applicable to people of all faiths, and the personal beliefs of the children and their families will be respected at all times. Parents are welcome to be present during the classes.

“Tell Us What You Think About Parenting”

The Parenting and Family Support Centre at the University of Queensland is conducting research into parents' thoughts about parenting and parenting programs around the world. If you have a child between 2 and 12 years, we would love to hear your views on your parenting and the services that are available to you as a parent. We are looking for parents with a child aged 2-12 to complete a short survey. To find out more or to participate please visit <http://psy.uq.edu.au/ips>.

Free event — support your child’s wellbeing and learning

All parents and carers are encouraged to attend a free event presented by respected child and adolescent psychologist, Dr Michael Carr-Gregg.

There is a very strong link between the wellbeing of young people and their ability to learn and achieve in education.

Dr Carr-Gregg will outline ways that you can support your child's wellbeing at home, which will in turn help them during their school years.

Parent sessions are being held from 6.30 to 8.00pm:

Monday 28 May	Brisbane East	Easts Leagues Club 40 Main Avenue COORPAROO QLD 4151
Tuesday 29 May	Brisbane North	Brisbane International Virginia Cnr Sandgate and Zillmere Roads BOONDALL QLD 4034
Monday 18 June	Brisbane Central	Central Bardon Conference Venue 390 Simpson Road BARDON QLD 4065
Tuesday 19 June	Brisbane West/ Ipswich	Brothers Leagues Club, Ipswich Willey Street RACEVIEW QLD 4035

Separate sessions are also being held for principals and teachers, so we are all working together to enhance the wellbeing of our students.

This is an exceptional opportunity to learn practical ideas and tips and meet with parents from other schools in the area to discuss shared issues and interests.

To RSVP, please complete the form attached to this newsletter and fax it to 3237 1338.

Alternatively, please email: EventRegistration@deta.qld.gov.au or phone 3235 9072 one week prior to the event.
