MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

We have almost reached the end of the year. What a busy but successful year it has been. Some of the highlights include:

- The highest number of Prep enrolments 178, in the life of the school.
- Implementation of new National Curriculum
- Our best NAPLAN results ever
- Gala Music
- J Rock
- Cross Country
- Moving to Tier two of SWPBS
- Supporting Childhood Cancer Support through donations totalling $2 300.00 from Pirate Day and the Big Shave

At this time of the year we say farewell to our 100 Year 7 children who are heading off to commence their secondary education. A second group of children leaving us are 50 of our Year 6 children who are leaving to commence Year 7 at Springfield Central State High School. These children will be the among the first in Queensland where a State High School is offering a Year 7 program. Commencing in 2015 all year 7 classes will be located at a secondary school and we will offer education from Prep to year 6 only.
There are a number of families also transferring to new homes and schools. Also leaving us are a number of staff members and to each and every one of you I would like to wish you all the very best in your new schools. Thank you for being an important part of our school family.

2013

As we prepare for next year there are two important issues we need to confirm as soon as possible. The first is the number of new enrolments we have, including Prep children. If you know of anyone who intends to enrol their child here, please ask them to contact the school as soon as possible. On the flip side, if you are moving to another school, would you please let us know as soon as possible, so we do not place your daughter in a class.

Thank you

I would like to acknowledge and thank the staff, volunteers and members of the P&C association for all their work at the school this year. Schools are busy places with many activities going on all the time. Ours is a great school because of the children and the staff who work here. Have a wonderful break. I look forward to hearing from you in 2013.

Chicken Pox

I refer to an earlier notice in the newsletter advising that we have an outbreak of chicken pox in our school. If a child develops chicken pox at school their parents are advised and are asked to collect them from school. Any child with chicken pox is required to stay away from school until the lesions have healed.

Season Greetings

I would like to extend to you all my very best wishes for the summer vacation. I trust it will be safe and peaceful for you and your family.

Warm Regards

Peter Doyle
Principal
DEPUTY PRINCIPAL NEWS

Year 4 camp

I would like to recognise and congratulate the Year 4 children on their fantastic behaviour whilst on camp. They represented our school with pride and were extremely cooperative, peaceful and respectful while at the beach, at UnderWater World and at The Caboolture Historical Village. A huge thank you to the staff who attended as well.

Year 7 Graduation – 12th December, 6.15pm for a 6.30pm start, School Hall

Can you please ensure that you arrive before 6.15pm. The students will need to meet outside the school hall upon arrival, with the remainder of the family to be seated inside the hall ready for a 6.30pm start. According to the invitation, we would like our Year 7s to be smartly dressed (boys in long pants with shoes, girls in dresses or long pants with shoes – no thongs) on the night in recognition that it is a special night. We do, however, stress that it is not necessary to go overboard with this. A reminder for both parents and students that stilettos are NOT allowed in the school hall. Please bring a plate of food on the night to share after the ceremony. We are looking forward to sharing this significant event with your children.

Regards

Louise Whitting

Acting Deputy Principal

COMING EVENTS

- EFTPOS – **minimum $10.00 transaction**
- Credit Card - details on form provided with excursion – **minimum $10.00 transaction**

SCHOOL WIDE POSITIVE BEHAVIOUR

SWPBS - School Wide Positive Behaviour Support

Below are the expectations being taught to all our students. We ask that parents reinforce these expectations when in our school grounds.

Week 9 - Discovery Centre
Respectful - All food and drinks need to be consumed outside at the table. The Kitchen is a staff only area.

Week 10 - Discovery Centre

Respectful - Calm room is to only be used for children who need time out to calm down.

ASSEMBLY AWARDS

Congratulations to these students who achieved well or who have been excellent citizens.

STUDENT ABSENCE LINE

Parents are requested to call the Student Absence Line on 3437 9860 to advise the school if your child/ren will be absent.

STUDENT PERSONAL DETAILS

We are reminding parents to ensure that all contact details are up to date. We have had a number of incidents of late where we have needed to contact parents due to accident or illness and the phone numbers that we have on file are incorrect or have been disconnected.
MESSAGES TO STUDENTS

We are receiving an increasing number of messages to pass on to students in relation to end of day arrangements/pickup. It becomes extremely difficult to pass these messages on to students when we receive calls from parents minutes before the bell. We ask families to please make arrangements before leaving in the morning.

MOBILE PHONES

Bringing mobile phones to school is not encouraged by the school because of the potential for theft and general distraction and/or disruption associated with them. However, we understand that on occasions parents require their children to have a mobile phone. This is to be logged into the office on arrival at school, with the mobile phone register being signed. Children collect their phones and sign them out in the afternoon.

PEANUT AND OTHER NUT ALLERGIES

Parents are requested not to provide lunches or snacks containing nut products for children attending Springfield Lakes State School. This is to protect the significant number of students who have anaphylactic allergies to even traces of peanuts and other nuts. Some of these students are so allergic that even a minute amount of peanut butter or Nutella could cause an anaphylactic reaction. Please do not send Nutella, peanut butter sandwiches or other snack products to school that could put other students at risk.

Thank you for helping us keep all of our students safe.
When packing lunches for our children please keep in mind convenience is not always the best solution.

The small cans of spaghetti or fruit with the pull ring lids are a very convenient solution for a meal but have also caused nasty accidents for little fingers. Please be mindful of this and perhaps take the time to open and pour the contents into a small plastic container.

**MR DOYLE LIKES DOGS**

While Mr Doyle likes dogs not all dogs like each other.

Please do not bring your dog to school as some dogs bite and some dogs like to fight.

**UNIFORM SHOP**

**UNIFORM SHOP OPENING TIMES  TERM 4 - 2012**

Dear Parents and Caregivers

Springfield Lakes State School P&C wish to advise that due to cost increases from our supplier and the inability to continue absorbing these increases there will be a price increase on all uniforms as of the 1st FEBRUARY 2013.

Please note the current price list is only valid up to and including THURSDAY 31st JANUARY 2013.

We would like to thank you for your understanding in this matter.

Please see school website for our extra opening times.

Payment and Collections Options:

By person: At uniform shop when opening times apply; pay by cash, credit or debit cards cards and cheque.

By telephone: Call 3437 9888 (request uniform shop) during uniform shop opening hours. Payment options include credit card or debit card only NO CASH. Your order will be processed the next available uniform shop working day and delivered to your child’s class.

By fax: 34379800 Order forms can be collected via office, school website or uniform shop. Payment options include credit or debit cards only, NO CASH. Your order will be processed the next available uniform shop working day and delivered to your child’s class; uncompleted credit or debit card details will result in non-delivery of uniform.

By Administration Office: Complete order forms are to be handed in to administration office. Payment options include credit or debit card only, NO CASH. Your order will be processed the next available uniform shop working day and delivered to your child’s class; uncompleted credit or debit card details will result in non-delivery of uniform.

TUCKSHOP NEWS
A reminder to parents that online tuckshop ordering is available. You may want to see Sandra or, for parents wanting to know the on-line procedures, they are as follows:-

Log onto www.springfieldlakess.eq.edu.au

**Step 1.** Click on “Parents”
**Step 2.** Click image of boy
**Step 3.** Click on “new user” – “register here”
**Step 4.** Follow further steps and check the terms and conditions box.

We would like to advise you that on **FRIDAY 14TH December**, the last day of school for 2012, the **Tuckshop** will be **OPEN**.

We would like to wish you a Merry Christmas and a safe holiday.
FROM NURSE ERICA

It has come to my attention that young children are having energy drinks at school.

A warning for parents, please talk to your children regarding the effects of having caffeinated drinks such as Red Bull and other energy drinks.

From: Medscape Internal Medicine © 2011 WebMD, LLC

Author: Sandra A. Fryhofer, MD

This issue of Staying Well focuses on dangers and risks of caffeinated energy drinks.

Ingredients Beyond Caffeine

Energy drinks contain more than coffee-bean-derived caffeine and sugars. Hidden caffeine derivatives in the form of guarana, kola nut, yerba mate, and cocoa can also be found on the list of ingredients. Guarana (also known as Paullinia cupana) on a per-gram basis contains anywhere from 40 to 80 mg of caffeine. This means that the caffeine content listed could underestimate the caffeine punch delivered. These drinks often contain taurine, which has been shown to increase blood pressure and heart rate when combined with caffeine. Ginseng is often added and can interfere with warfarin, estrogen, steroids, and digoxin. Other common ingredients include l-carnitine, and yohimbe. In 2008, German, Hong Kong, and Taiwan authorities found trace amounts of cocaine in the energy drink Red Bull Cola.

Hazards of Too Much Caffeine

Energy drinks contain too much caffeine. This can cause anxiety, nervousness, sleep problems, elevated blood pressure, and heart palpitations. Although healthy people can tolerate moderate amounts of caffeine, the content in energy drinks exceeds what could be considered moderate. Adverse health consequences of caffeine intoxication include seizures, mania, stroke, and even sudden death. Energy drink-related health consequences reported in German studies include liver damage, kidney and respiratory problems, seizures, and agitation, as well as heart rhythm disturbances, heart failure, high blood pressure, and rhabdomyolysis.

Caffeinated Concerns for Kids

A new study in the journal Pediatrics highlights caffeinated energy drink concerns for children with specific medical conditions, including attention-deficit/hyperactivity disorder, eating disorders, diabetes, and cardiac conditions. It also points out concerns about the link between caffeine and reduced bone mineralization.
Caffeine and Alcohol: A Dangerous Combination

An even more hazardous trend, college students are mixing energy drinks with alcohol. The consequences can be dangerous and deadly. Although these students may think that caffeine counteracts the alcohol, it doesn't. You might not get as sleepy, but you're still impaired and you don't know it.[1,5,6] The high caffeine content has a stimulant effect that prevents you from feeling drunk. Judgment, reaction time, and motor skills, however, are still impaired. A recent JAMA report calls this "wide awake drunkenness," and it can lead to bad choices, risky behaviors, and worse.[1]

DEFENCE NEWS

It’s the end of the year. I can’t quite believe it! I have had a great year at SLSS especially getting to know your children. We have some fun times in Kids Club and at our little functions at school. I hope they have enjoyed them as much as I have.

If you are a family on the move please let me know so I can farewell your child and chat to them about their new adventure. If you need any information regarding DSTA/DTM’s in your gaining locality I would be happy to help you with that information.

I am holding a Kids Club Christmas Party on the last day of school (14/12). I have handed out invitations. Would you please fill in the RSVP so I can cater and please let me know if there are any food allergies.

I am looking forward to 2013 at SLSS and I would like to take this opportunity to wish you all a very Merry Christmas and a wonderful New Year.

Thank You

A big “thankyou” to everyone who donated Tim Tams to be sent to our Defence members serving overseas. We were able to send quite a few parcels and I am sure they will be happily received.

Warm Regards

Kim Roberts

DSTA
**YMCA IS A NOT FOR PROFIT ORGANISATION.**

**IMPORTANT MESSAGE FROM THE COORDINATOR**

We have moved into our new demountable building. It will be a great benefit to the YMCA OSHC to have our own premises.

We are situated opposite the basketball courts.

Parents are asked to park in the main car park and walk down to the building. We have increased our licenced capacity to 150 children. We have permanent and casual places available.

We are currently taking enrolments for 2013. Forms are available from the centre or on the YMCA website.

**VACATION CARE:** We are opened from Monday 17th Dec to Friday 21st Dec 12. Then from Wednesday 2nd Jan to Friday 25th Jan 2013.

We have organised some great activities to keep the children occupied.

- We are going Ten Pin Bowling on Tuesday 8th Jan 2013.

We have organised three incursions.

- Wednesday 19th Dec Pin Wheel Workshop,
- Wednesday 16th Jan Wildlife Rangers
- Friday 25th Jan Little Green Thumbs.
Dear Parents

The School Dental Van will be shifting to its next location in January 2013.

It will be approximately 2 years before staff return to Springfield Lakes State School and offer a full course of dental care to your children.

In the event of a dental emergency or enquiry, assistance may be accessed by contacting our Business Service Centre on 1300 763 246.

Currently we are completing students in Prep and finishing any outstanding treatment from students in other grades.

For those students who have missed appointments, please contact staff before the end of term and an appointment during the school holidays may be scheduled where possible.

Our thanks to the staff, students and parents for the support we have received in providing service to your school. Whilst it has been a lengthy stay it has been an enjoyable one.

Yours in Health

Robyn and Susan

School Oral Health Staff.
AlphaTykes is looking to hold Spanish lessons next door at the Springfield Lakes Community Centre. The lessons will be held once a week after school and include a range of activities such as story telling, games, physical activities, singing and music to capture the imagination and immerse the children in the language.

Learning a foreign language:

- ‘Rewires’ a child’s brain, boosts brain power and kick-starts learning
- Improves communication skills, even in a child’s mother tongue, by building vocabulary and improving reading, writing, listening and speaking skills
- Improves confidence and social skills and helps your children prepare for their future.

Our topics include ‘My family’, ‘Animals at home’ and ‘My house’, to name a few.

The cost of the AlphaTykes program is $110 for 10 weeks. This will comprise of 10 lessons (one per week) covering two topics over the 10 week period. Learning materials to take home are available as an optional extra if desired.

If you are interested in putting your child’s name down or would like more information, contact Childhood Australia on 1300 61 22 88 or go to the website www.alphatykes.com.au

Bahá’í Education in State Schools:

Bahá’í spiritual education classes are being offered at Springfield Lakes State School next year, 2013. The emphasis of these classes is on learning to think, reflect and to apply spiritual principles to the life of the individual and society. They are based on a strong belief in the nobility of all human beings and that every child is a “mine rich in gems of inestimable value”. These “gems” are spiritual qualities or virtues such as unity, kindliness, love, justice, truthfulness and service. These qualities are explored in the class through the memorization of a quote (e.g “In the garden of thy heart plant naught but the rose of love…” the students then participate in a range of activities (prayer, song, story, drama, cooperative games and art) that assist them in their understanding and application of the spiritual quality.

While inspired by the principles and ideals of the Bahá’í faith, Bahá’í education classes are not classes of religious indoctrination. The moral principles they seek to impart are applicable to people of all faiths, and the personal beliefs of the children and their families will be respected at all times. Parents are welcome to be present during the classes.

Teacher of Bahá’í RE classes:

David Anvari

Ph: 0413 838 881 for more information;

Movies in the Park

We are proud to invite you and your family to a fun night out, in a smoke-free and alcohol-free environment. Come along and join in the pre-movie activities and remember to wear comfortable shoes. Bring along your chairs or a rug and picnic hamper for dinner and snacks or for a gold coin donation you can take advantage of the rugs and chairs from the Ipswich Hospital Foundation. There will be food and drinks available for purchase as well. Then it is time to sit back, relax, and watch a family comedy.

Details of the movies and times are in the MIP 2012-13 PDF attached. If you require any further information on this free family fun program please contact Renee Campbell at the Ipswich City Council on 3810 7655 or email her at rbcampbell@ipswich.qld.gov.au. There is also more information found on the Ipswich City Council website www.ipswich.qld.gov.au

Expression of interest to participant in the Intercept Junior Netball Program 2013

This exciting new program will be offered to girls and boys aged 5 to 12 yrs. The program incorporates game based/ball sport activities for 5 and 7 year olds. For 8 to 12 yr old age group the program is netball specific and aimed at girls and boys who will take part in their school Netball Academy and can then move onto participate in the Central Districts Interschool Academy Competition, Terms 2 and 3 in 2013 and/or move into club netball in the future.

Intercept program is run with the support of and in conjunction with RecNet (AU) Wildcats Sports and Recreational Club - Netball Group, their local Springfield Programs and Competitions, for more information to to www.playrecnetball.com or email info@playrecnetball.com.

The program will commence on Monday the 4th February, 2013 after school, 3.15 - 4.30pm

Please be aware places are limited and will depend on age group numbers. To register your interest and to pre-book a place for your child(ren) or to find out more about this program please call the Program Coordinator Juliet on 0420 213 778 or e-mail interceptacademy@gmail.com.
Hey Kids... Are you at risk of School holiday boredom?... Are you crazy about LEGO?
Why not enjoy a session at a LEGO themed fun experience featuring all things BRICKTASTIC in Ipswich...
