MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

Well 25% of the school year has passed. The older I become the quicker these terms go.

Pedagogy
In the last newsletter I wrote about the pedagogy we use in our school and explained a “Warm-up”. This week I would like to explain, “I do, We do, You do”.

I do, is a direct instruction by the teacher of a concept or a process. It might be the correct use of inverted commas when people are speaking in a piece of writing. During the "I do" section the children are quiet and focused on the teacher.

We do, is where the teacher leads the children through some examples with the teacher. These examples may be completed by the children on the board or in their books. It could also be a combination of both.

You do, is when the children complete some examples by themselves. At this stage the examples may be varied across the class to cater for the different abilities of the children.

Parents and Citizens Association
Last week the Annual General meeting of the P&C was resumed and an executive was chosen. Mr Justin Hackwill is the new president of your Parents’ and Citizens Association. I am looking forward to working with Justin and his team.

Working Bee
Many thanks to the small, but energetic band of children, parents and staff who gave up some time on Saturday morning to attack the weeds. Your time and efforts are appreciated.

Visit by Assistant Regional Director
Our schools supervisor, Mike Kelly, recently visited our school. While here he took the opportunity to visit some classrooms. I am pleased to report that he was glowing in his praise of our school change in pedagogy and the setting of targets for each child.

Thank-you
The end of this term will see Mrs Green leaving us as she prepares for the birth of her new child. Mrs Lisa Johnson, has decided to take up a new career and is leaving teaching. I thank each of these wonderful teachers for their contribution to children at Springfield Lakes State School and wish them all the best in the future.

Autumn Vacation
As you read this newsletter, school will have ended for the term and the Autumn Vacation has commenced. I trust the joy of the Easter season will be with you and your family. Please be safe, if you are travelling away. I look forward to speaking with you and not about you when school resumes on April 15th.

Children Waiting After School
Our school has a before and after school care service offered and run by the YMCA. We have a number of children who are not collected on time. Sometimes we have in excess of 20 children waiting to be collected at 3:15pm, some 30 minutes after school has finished. After the holidays these children will not be allowed to wait at the front of the school. We will ask them to wait behind the administration building, close to the staffroom, where there are passing staff and more supervision.

Parents collecting children after the rostered supervision will need to collect their children from outside the staffroom.
P&C Treasurer
Our school's P&C treasurer needs to step down for personal reasons. Our school community is looking for a person to take on this role. If you have knowledge of accounting procedures and are able to donate some time regularly each week to process accounts and wages, please contact me at the school.

Parent Forum
Our next parent forum will be on Monday 22\textsuperscript{nd}, at 9:00am. The topic is “Helping with Your Child’s Reading”.
Please register your interest at the office.

Kindest Regards
Peter Doyle
Principal

BUSINESS SERVICE MANAGER NEWS

Working Bee
A heartfelt thank you to the merry band of helpers (approx. 12) who gave up their Saturday morning to give the school grounds a spruce up. A special thank you to our Canteen Convenor, Sandra Goss, who ensured we were well fed. It was a lovely morning and your efforts are most appreciated by the leadership team at Springfield Lakes State School.

Security
If you are driving past the school and see anything suspicious, please phone School Watch – 13 17 88.
The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools.

STUDENT ABSENCE LINE

Parents are requested to call the Student Absence Line on 3437 9860 to advise the school if your child/ren will be absent.

STUDENT PERSONAL DETAILS

We are reminding parents to ensure that all contact details are up to date. We have had a number of incidents of late where we have needed to contact parents due to accident or illness and the phone numbers that we have on file are incorrect or have been disconnected.

MESSAGES TO STUDENTS

We are receiving an increasing number of messages to pass on to students in relation to end of day arrangements/pickup. It becomes extremely difficult to pass these messages on to students when we receive calls from parents minutes before the bell. We ask families to please make arrangements before leaving in the morning.

MOBILE PHONES

Bringing mobile phones to school is not encouraged by the school because of the potential for theft and general distraction and/or disruption associated with them. However, we understand that on occasions parents require their children to have a mobile phone. This is to be logged into the office on arrival at school, with the mobile phone register being signed. Children collect their phones and sign them out in the afternoon.
PEANUT AND OTHER NUT ALLERGIES

Parents are requested not to provide lunches or snacks containing nut products for children attending Springfield Lakes State School. This is to protect the significant number of students who have anaphylactic allergies to even traces of peanuts and other nuts. Some of these students are so allergic that even a minute amount of peanut butter or Nutella could cause an anaphylactic reaction. Please do not send Nutella, peanut butter sandwiches or other snack products to school that could put other students at risk.

Thank you for helping us keep all of our students safe.

When packing lunches for our children please keep in mind convenience is not always the best solution.

The small cans of spaghetti or fruit with the pull ring lids are a very convenient solution for a meal but have also caused nasty accidents for little fingers. Please be mindful of this and perhaps take the time to open and pour the contents into a small plastic container.

MR DOYLE LIKES DOGS

While Mr Doyle likes dogs not all dogs like each other.

Please do not bring your dog to school as some dogs bite and some dogs like to fight.

Happy Easter Defence Families

I wish you all a happy Easter and I hope you all have a lovely break whether it be away or at home. I have had a great time sharing hot cross buns with your children and it gave me a chance to touch base with them and get to know them a little better.

Just a reminder about our Anzac assembly on the 24th April at 9.45. It would be fantastic to have some Defence members in uniform, but I understand that you have work commitments at this time of the year. If possible it would be great if you could attend. I would love to meet you.

Bahá’í Education in State Schools:

Information for Parents

Bahá’í spiritual education classes are being offered at Springfield Lakes State School for 2013. The emphasis of these classes is on learning to think, reflect and to apply spiritual principles to the life of the individual and society. They are based on a strong belief in the nobility of all human beings and that every child is a “mine rich in gems of inestimable value”. These “gems” are spiritual qualities or virtues such as unity, kindliness, love, justice, truthfulness and service. These qualities are explored in the class through the memorization of a quote (e.g. “In the garden of thy heart plant naught but the rose of love...”) the students then participate in a range of activities (prayer, song, story, drama, cooperative games and art) that assist them in their understanding and application of the spiritual quality.

While inspired by the principles and ideals of the Bahá’í faith, Bahá’í education classes are not classes of religious indoctrination. The moral principles they seek to impart are applicable to people of all faiths, and the personal beliefs of the children and their families will be respected at all times. Parents are welcome to be present during the classes.

HOST FAMILIES NEEDED IN JUNE/JULY EXPERIENCE ANOTHER CULTURE IN 2013 IMPROVE YOUR LANGUAGE STUDIES AT HOME

In June-July 2013 Student Exchange Australia New Zealand Ltd will be receiving exchange students from Europe, Canada, the USA, and Latin America. We are looking for volunteer host families to welcome these students into their homes for between 2-10 months.

Host families come in all shapes and sizes, backgrounds and ages. To this end, we would again be grateful if you would place a notice in your newsletter/bulletin or mention it on your website. You can download the newsletter notice here in Word format, as a JPG or in PDF format. Please note that all our host families are interviewed in their homes and carefully checked for suitability.

Our students bring with them their own spending money, health insurance and a wonderful attitude and desire to learn about their new host country. The whole family.....and relatives and friends....will grow and learn as they all get to know their new ‘son’ or ‘daughter’ from another land.

All students have at least basic levels of English, would attend a school in your local area and live the life of a local. Our group of students cover a wide variety of interests and hobbies. If you would like to provide your students, parents or language/music teachers with further information on our inbound students you can also download some student profiles in PDF Format. This is just a small sample of all the students who will be arriving. Our staff members will be happy to discuss which student might be best suited to a family.

Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. They might even make a friend for life!

“Our family hosted Paula from Germany this year and it was the most wonderful experience. How did hosting impact our family? The positive impact having Paula stay with us for five months was incredible. We spent more time together as a family and got to see our local area through new eyes. Most importantly though, Paula was a fantastic role model for our younger children. Thank you Paula!” Robert, Host Dad

“Becoming a Host family for an international student has been much more than we expected. We thought it would be great for our kids to learn a little about another language and maybe something about another country. Instead, we gained another family member and some great new friends, her parents from Germany. We get to show off our country and learn so much about hers. What a fantastic experience for all of us.” Melissa, Host Mum

“Being the youngest and the only one left at home I was looking forward to having another teenager in the house. While Charlotte helps me with my French I help her with her English lessons and I have taught her many Aussie words and sayings. We both love to shop and shop and shop…” Grace, Host Sister

“It’s been a fantastic experience so far…It’s been great having an older brother for our young kids. Simon has been a fantastic role model…Simon helps around the house a lot. One of the first things he said to us during the first couple of days he was here was what should my chores be? I was delighted to hear him say that.” Victoria, Host Mum Click here to watch a video of the Stuart Family talking about their hosting experience.

Student Exchange Australia New Zealand is a not-for-profit secondary exchange organisation which is registered with education & regulatory authorities in each State and Territory. You can find out more about our organisation by visiting www.studentexchange.org.au.
If Springfield Lakes State School families have any questions about hosting an exchange student or would like to view profiles of students arriving from other countries, they can respond to this email, call our office on 1300 135 331 or visit our website. Our staff members will be happy to discuss which student might be best suited to their family. No obligation.

Thank you in advance for your assistance.

Yours sincerely,
