MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

School Audits
During the first week of school we were visited by three principals who audited the school, looking at our core business of Teaching and Learning along with Discipline. I am delighted to advise the school was rated across the 13 dimensions as being primarily as high but with some aspects as outstanding or medium. We will be using this feedback as we plan for the coming year. A full copy of the report is on the school’s website.

2014 Arrangements
Are You Leaving us?

As the end of the year approaches we are planning for 2014. If you are aware that your children will not be returning to Springfield Lakes State School in 2014, would you please send an email to the school admin@springfieldlss@eq.edu.au and advise us of the name of your children and their new school, if known. This will allow us to have accurate numbers as we formulate classes.

Class Allocation
We will shortly be commencing the allocation of children and teachers to classes for 2014. I invite parents to have some input into this process. Please call in at the office and complete the appropriate form before the 1st of November. Once the class lists are published we will not be able to adjust them.

Storm Season
We are entering the storm season. The events in New South Wales over the past week have shown the unpredictable nature of the weather. The bushfires in the Blue Mountains have resulted in the closure of a number of schools. Our school has a comprehensive plan should there be a significant weather event e.g. hail storm. The school needs to have accurate and correct contact information for all children in case of emergency. If you have changed your contact details during the past year would you please advise the school on admin@springfieldlakesss.eq.edu.au

Turn Your Phone Into A Life Saver
The Australian Red Cross has released a free first aid app for smartphone users.

The app guides users through the correct response for many incidents including heart attacks, strokes, diabetic episodes along with the more common burns, sprains and strains.
The app is easy to use and features vital life-saving information, videos and quizzes to test your first-aid knowledge on correct treatments for children and adults.

Learning the skills to save a life through first aid training is one thing, but remembering what to do when under pressure is where this first aid app can help most.

This new Smartphone app is available from www.redcross.org.au/first-aid-app.aspx or the Google Play and Apple app stores.

**Type 1 Diabetes Research**

Researchers from the University of Queensland are conducting research into parenting of children with type 1 diabetes. We are seeking parents of children and adolescents with type 1 diabetes to participate. Participation in this project will involve completing a survey, and attending a focus group, which takes approximately two hours.

The focus group includes questions on child behaviours, diabetes management tasks which parents of children with type 1 diabetes experience difficulty with, strategies parents use to manage child misbehaviour, how parents think and feel about parenting a child with type 1 diabetes, and their preferences for assessing services to assist in dealing with these behaviours and tasks.

If you are interested in participating in this research or would like further information please email clin.roslyn.pay@uq.edu.au

Please note on 28th October 2013 Tuckshop will be CLOSED due to out of school staff training

**Kindest Regards**

**MULBERRY LEAVES - Can YOU help us source some please?**

The Year 2 students are keeping silk worms as class pets this term for Science. We will need an on-going supply of Mulberry leaves for the duration of the 10 week term to be able to look after them well and observe their life cycle. If you, or anyone you know, have a mulberry tree and can donate some leaves please contact the Year 2 class teachers ASAP.

Dear Parent/Carers of Boys in Years 3-7,

When: 6:00pm - 8:00pm Wednesday the 6th of November

Where: Springfield Lakes State School Under Cover Area

How Much: $15 ($7.50 per head, includes dinner, drinks and dessert)

What to bring/ wear on the night: One Significant male other (Father, Step Father, Grandfather, Older brother, Close family Friends), appropriate clothing with flat soled enclosed shoes, and a torch.

Boys and their Significant Other will receive a set of obscure clues to guide them through the wilderness that is Springfield Lakes State School. On their journey they will encounter both physical and mental challenges that will inspire greatness, test courage and enhance the inner man. The evening will commence with dinner, that has kindly been provided by a local Springfield Lakes business and will be concluded by a short award ceremony. We look forward to seeing you there.

Please return your completed registration form and payment (cash & cheque only) to the school office by Friday 1st of November 2013. Enquiries can be directed to Hayden Bridgeman via the school office or email: haydenb@chappy.org.au

**Choral Music Concert**

Last Tuesday evening, our school held our first Choral Music Concert, where all of our choir students from Prep to Year 7 performed. We saw wonderful performances from our Preps and Year 1 students in our Cubs Choir, our Year 2 and 3’s in the Junior Choir, our Years 4 to 7 students in the Senior Choir and Stage Choir, as well as our awesome Springfield Lakes Boys Choir who sang a medley of their favourite songs from this year. The evening concluded with all of the choir students - over 200 in total - on stage singing “The Lion Sleeps Tonight”.

It was a wonderful evening of Choral music and thanks must go to all of the students, parents and families for your attendance at the concert. It was a great way to conclude a fantastic year of singing! Many thanks to the teachers, parents and friends who volunteered their time to assist with the running of the concert.

A huge thank you must also go to the Music Parents Support Group and especially Melanie Stevenson for your fantastic support of the Music Program this year, through your fundraising efforts. The young musicians at the school really appreciate your ongoing support... Thank you!

**Instrumental Music Parent Meeting and Concert**

Yesterday, parents of prospective 2014 Instrumental Music students met to discuss the Instrumental Music Program and the commitments required in being a member of that program. It was wonderful to see so many parents and families at the meeting. Following the meeting, our 2013 Instrumental Music Students entertained us with performances showcasing the work they have done throughout the year. We heard from the Junior Band and Junior Strings in what was, for many, their first public performance. We also heard from the Senior Band and Senior Strings who performed wonderfully. I would like to acknowledge the work of our Springfield Lakes Instrumental Music Teachers, Matthew Hoey and Adam Hornagold for their work in preparing these young musicians throughout the year. I would also like to thank our experienced Year 6 and 7 Instrumental Music students who are leaving us at the end of this year. Best wishes for your musical adventures at high school, wherever you may be!

**Instrumental Music Recruitment - 2014**

For any parents or families that were not able to attend the meeting, all students in Years 2 and 4 who have returned an Expression of Interest form for either the Strings Program or Band Program will be taking home some information about the Program in the next 2 weeks, and all of these students will also undergo physical suitability testing on their chosen instruments.

Offers of Instruments will be made to students in the last few weeks of term. Please remember that there are many more students who want to play an instrument than there are instruments available, so **not all students will be offered an instrument in 2014**.

2013 Instrumental Music students will be asked to confirm their participation in the Program for next year. **It is expected that all Instrumental Music Students from 2013 will continue to play the same instruments in 2014 (unless they are leaving our school).** More information will be sent home to these students soon.

**Jacaranda Festival**

On Friday evening, 3 of our wonderful school choirs, The Cubs Choir, Junior Choir and Boys Choir will be performing at the Goodna Jacaranda Festival, to be held at Evan Marginson Park at Goodna (near the RSL). The students will be performing at the following times: Cubs Choir – perform at 6:10pm; Boys Choir – perform at 8:10pm; Junior Choir – perform at 8:20pm. Students need to arrive and meet their teacher approx. 45 mins before their performance time. Students in the Cubs Choir and Junior Choir will need to wear school uniform, and Boys Choir members need to wear Jeans and a colourful shirt.

We look forward to a wonderful Jacaranda Festival for all our students, and seeing our great supporters there as well!

STUDENT ABSENCE LINE

Parents are requested to call the Student Absence Line on 3437 9860 to advise the school if your child/ren will be absent.

STUDENT PERSONAL DETAILS

We are reminding parents to ensure that all contact details are up to date. We have had a number of incidents of late where we have needed to contact parents due to accident or illness and the phone numbers that we have on file are incorrect or have been disconnected.

MESSAGES TO STUDENTS

We are receiving an increasing number of messages to pass on to students in relation to end of day arrangements/pickup. It becomes extremely difficult to pass these messages on to students when we receive calls from parents minutes before the bell. We ask families to please make arrangements before leaving in the morning.

MOBILE PHONES

Bringing mobile phones to school is not encouraged by the school because of the potential for theft and general distraction and/or disruption associated with them. However, we understand that on occasions parents require their children to have a mobile phone. This is to be logged into the office on arrival at school, with the mobile phone register being signed. Children collect their phones and sign them out in the afternoon.

PEANUT AND OTHER NUT ALLERGIES

Parents are requested not to provide lunches or snacks containing nut products for children attending Springfield Lakes State School. This is to protect the significant number of students who have anaphylactic allergies to even traces of peanuts and other nuts. Some of these students are so allergic that even a minute amount of peanut butter or Nutella could cause an anaphylactic reaction. Please do not send Nutella, peanut butter sandwiches or other snack products to school that could put other students at risk. Thank you for helping us keep all of our students safe.

When packing lunches for our children please keep in mind convenience is not always the best solution.

The small cans of spaghetti or fruit with the pull ring lids are a very convenient solution for a meal but have also caused nasty accidents for little fingers. Please be mindful of this and perhaps take the time to open and pour the contents into a small plastic container.

MR DOYLE LIKES DOGS

While Mr Doyle likes dogs not all dogs like each other.

Please do not bring your dog to school as some dogs bite and some dogs like to fight.
