MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

ANZAC Day
What a wonderful service we held on Friday morning of last week. Our children were fantastic in the respect they showed for this special event. It was also wonderful to see members of the wider school community attend. I would like to thank and acknowledge all those who contributed to make the ceremony so special.

Voluntary Contribution
I would like to thank all parents who have supported the school through the voluntary contribution. As I advised earlier all funds raised will be used to support the school's Information and Communication Technology program. So far this year we have:

- Replaced 8 class room projectors. Due to the age of the school this will be an ongoing process as all our projectors are slowly starting the break down.
- Purchased 21 Ipads for use in classrooms.
- Replaced 15 desktop computers.

We still have many more tasks to complete as the equipment in the school ages and needs to be replaced. Please continue to make your contribution to support the school.

NAPLAN
When you receive the next school newsletter the annual NAPLAN testing program will be all but finished. Each year children in Years, 3, 5, 7, & 9 participate in this national program.

As the dates for the 2015 NAPLAN tests draw near, it is worth remembering that these tests provide point in time information about individual student performance. There are many factors which influence test scores (such as school attendance, individual ability, parental support, personality, interests, aspiration, motivation and peer pressure).’ (Margaret Wu and David Hornsby, 2012.)

If you have children in Years 3 or 5 the best support you can give them is to ensure:

- They have a good sleep the night before;
- They eat a hearty breakfast;
- They have the correct tools (eraser, sharpener and 2B or HB pencils) and
- They have your support that they will do their best.

Winter Uniforms
As the cooler weather approaches there is one thing I can guarantee the amount of lost property will increase as children take off their jackets as the day warms up. We do everything we can to return lost property. To assist us with this please ensure that your child's property is clearly named.
A reminder that our school is a uniform school and that we have a winter uniform. The winter uniform includes a school or navy blue jacket, long cargo pants or hose. It does not include tights, nor non-school coloured tops.

Please ensure that your child is not only warm but wears the correct school uniform.

SCHOOL PHOTOS

say cheese!

School Photo Day is fast approaching.

Have your child's school memories captured forever

on 25 & 26 May 2015

Your photo order envelopes will arrive shortly. Please start planning your purchases and payment options.

Remember these helpful points:

- Read all relevant instructions for your preferred payment method. All payments are due on photo day.

- You may pay by cash, or place your order online using your child's individual 'shootkey' listed on their envelope and pay with your credit card.

- Please enclose correct money as no change will be given.

- Sibling photo envelopes are available at the school office upon request. THESE PHOTOS WILL BE TAKEN BEFORE SCHOOL, ON PHOTO DAY, USUALLY FROM 8AM
  - Please instruct siblings to attend the photo studio during this time. Photographers are unable to search for students who do not attend.

- Do not seal envelopes inside each other. You may include payment for all children in one envelope, however please indicate on this envelope the names of all the children you are paying for.

- All students should wear their correct school uniform.

- Students appearing in any Extra Curricular Group Photos will be notified on how to order these, via a personalised order envelope, issued after photo day.

P&C Contribution
I would like to acknowledge the contribution of $2750.00 from our P & C to the school's eleven (11) lunchtime clubs. The clubs are:

- Art and Construction Club
- Garden Club
- Soccer Club
- Maths Club
- Writing Fun Club

- Computer Club
- Garden Club

The assistance of your parents and Citizens Association is greatly appreciated.

The Brave Program
The University of QLD in collaboration with beyond blue have developed the Brave program, a self-help program for children aged 8 – 12 years and teens aged 12 – 17 years.

It’s an interactive, online program for the prevention and treatment of childhood and adolescent anxiety. The programs are free, and provide ways for children and teenagers to better cope with their worries. There are also programs for parents.

This would be a useful resource to share with students and families managing anxiety.

A message from the Speech-Language Pathologist: Tara Brown

Screen Time and Oral Language!

What is screen time?
- TV
- iPad/Tablets
- Video games
- Computer
- Anything with a screen!

What does the research say?
Charlotte Forward is a teacher and speech-language pathologist who works in a school in Melbourne. Charlotte has written a very interesting article on screen time:

With technology seemingly overtaking our lives, it is important to consider the long term impacts of too much screen time on our child’s development.

Charlotte’s article is summarized below, but for the full article, see the link above.

“Something we do know is that more screen time means fewer opportunities for children to listen to and engage in oral language.”

Children learn language through talking and interacting with their parents, siblings, and other people. Whilst screen time is captivating for children, they rarely get the opportunity to talk back, ask questions, and develop social skills that happen during a conversation.

“Engaging in oral language activities... provides children with rich opportunities to build their vocabularies, learn rules of social interaction, develop non-verbal language skills and learn to store and use new words.”

Oral language activities may include conversations, sitting down and reading a book together, doing homework and engaging in imaginative play. It is easy for us to hand our children an iPhone, iPad, or other device to keep them entertained (eg. in the car, in a waiting room), but during these times we may be taking away learning opportunities. These may include learning to wait, learning to politely interrupt, talking about what’s happening around them or what will happen next.
"A good oral vocabulary is linked to high levels of reading comprehension and is necessary for development of high-level thinking skills such as analysing, applying, evaluating and creating."

These skills are all essential to success at school. Too much screen time may be limiting your child’s oral language learning opportunities. Other research has also shown that too much screen time can lead to inactivity, obesity, attention difficulties, anxiety and depression.

**What can we do as parents?**

How much screen-time is your child getting? Current research and advice from Raising Children Network (2010) recommend:

- Children under two years old steer clear of the screen altogether
- Children aged 2-5 spend no more than 1 hour per day using screens
- Children aged 5-12 have not more than 2 hours per day.

**As parents we can:**

- Talk about the importance of having a balanced lifestyle. Screen-time, play time, homework/reading are all a part of these.
- Have conversations! Having dinner at the table as a family provides the perfect opportunity to have conversations, make it a part of your daily routine.
- Get your children to choose which TV shows they want to watch in advance, and make sure the TV goes on and off just for those programs. Watch these shows together and talk about what is happening, why and what might happen next.
- Set a timer for videogames, computer and tablet time.
- Tell stories and read together. Ask questions, predict what will happen next. Explain why things happened.
- Discuss our own thinking and feelings, and problem solving.
- Play games with your children. Board games, imaginative play with Barbies or action figures, play in the back yard or park.
- Challenge!! Can your family go 1 week without TV? Or computers? Try the challenge and see how much you are able to interact!

Whilst it is important to teach our children about technology due to our society moving that way, we also need to remember our children need to talk and interact to learn language, higher level thinking skills and social skills.

Dear Parents and Carers

There seems to be some confusion in regards to payments of invoices. Please find information below in regards to the various payment options that are available to you.

**Cash payments** – We would appreciate correct money if paying at the payment window as the school does not hold change.

**Eftpos and Credit Card Payments** - Mastercard and Visacard transactions can be processed at the payment window for all invoices. PLEASE NOTE - We cannot accept American Express, Amex or any other international card for payment of invoices.

**Bpay Payments** - minimum payments amount of $10 or more.

**Direct Deposit** – When making a payment directly to the schools bank account, please ensure that a description is entered ie: child’s name and class so that we can credit the payment to your child’s account.

**STUDENT ABSENCE LINE**

Parents are requested to call the Student Absence Line on 3437 9860 to advise the school if your child/ren will be absent.

**STUDENT PERSONAL DETAILS**

We are reminding parents to ensure that all contact details are up to date. We have had a number of incidents of late where we have needed to contact parents due to accident or illness and the phone numbers that we have on file are incorrect or have been disconnected.

**MESSAGES TO STUDENTS**

We are receiving an increasing number of messages to pass on to students in relation to end of day arrangements/pickup. It becomes extremely difficult to pass these messages on to students when we receive calls from parents minutes before the bell. We ask families to please make arrangements before leaving in the morning.

**MOBILE PHONES**

Bringing mobile phones to school is not encouraged by the school because of the potential for theft and general distraction and/or disruption associated with them. However, we understand that on occasions parents require their children to have a mobile phone. This is to be logged into the office on arrival at school, with the mobile phone register being signed. Children collect their phones and sign them out in the afternoon.
WHEN PACKING LUNCHES FOR OUR CHILDREN PLEASE KEEP IN MIND CONVENIENCE IS NOT ALWAYS THE BEST SOLUTION.

The small cans of spaghetti or fruit with the pull ring lids are a very convenient solution for a meal but have also caused nasty accidents for little fingers. Please be mindful of this and perhaps take the time to open and pour the contents into a small plastic container.

MR DOYLE LIKES DOGS

While Mr Doyle likes dogs not all dogs like each other.

Please do not bring your dog to school as some dogs bite and some dogs like to fight.

MUSIC NEWS

Anzac Day
Last week, our Senior choir performed at our school Anzac Day service. It was a beautiful piece of music written by a fellow Qld music teacher. It has been wonderful to hear so many positive comments following our performance. Thank you to our school community for allowing us the opportunity to sing at this special event.

Choral Fanfare
Our next major performance for both our Senior and junior choirs will be at Choral Fanfare, which will be held in our school hall on Tuesday 19 May (morning). All choir students will be performing at this biennial competition. More information will be sent home to families next week.

Westcent Music Camp
I am pleased to announced that one of our Year 6 students, Abigail Aumuller, was successful in her audition to gain a place in the Westcent intermediate Music camp. Abi is only the second strings student from our school to gain a place in this very important regional Music camp, which is similar to her gaining regional sport representation. Congratulations Abi!

Springfield cluster music camp.
All year 3, 4 and 5 beginner string and band students will be invited to attend the first Springfield Cluster beginner music camp, to be held from 1-4 of June at Woodcrest State College. Information will be sent home to parents by the end of this week.

ORDERING TUCKSHOP AND SCHOOL UNIFORMS

How Does It Work in the Tuckshop?
Go to www.flexischools.com.au and click “Register Now” in the Login Box. Then enter your student’s name, school and class, and add funds (pay $50) into a pre-paid account. You can log into the website at any time to place orders until the 8am cut off for same day orders. Or, you can order up to 2 weeks in advance. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre-set minimum. Each order is sent automatically to the kitchen, where an easy-to-read label is produced with the student’s name, class and order details. At lunch time, students can simply pick up their order without the need for cash.

What Does It Cost?
The online menu is the same price as the lunch menu. However, there is a small fee for the online orders to help pay for the labels and the website system. So why not order your next lunch online?

What payment methods can I use?
FlexiSchools accepts payment via Visa, Mastercard, and Bank Transfer. To perform a bank transfer to your FlexiSchools account, click ‘Top up Account’ when logged into the FlexiSchools website and select ‘Bank Transfer’, you will be given your unique BPF code. You can then make a transfer via your bank’s internet facility or at your branch.
Greetings families,

Well we are back after a fantastic holiday club and settled into term 2 already! Over the holidays we had a great time with a few awesome visitors from Rotation Creations, Crazy Clocks and a visit from local Soldiers to talk to us about the importance of ANZAC Day and why we commemorate it. We also spent a day being Pirates, and travelled around the world learning some of the games that children play in many other countries.

This term we are going to be travelling through time as we explore things from many different periods of history. Of course we’ve started with the most exciting time of all, the Jurassic era!

We have begun a Weekly Bulletin which can be found on the parent table. Please check this out for all the news. “YMCA Brisbane Outside School Hours Care” is also now active on Facebook so if you are interested please check or daily posts on the activities of our children, as well as our many other services around Brisbane.

Does a teacher at your school always go the extra mile for their students?

A Day Made Better gives parents, students and fellow staff members the opportunity to recognise exceptional teachers. Over the last four years, thousands of primary school teachers have been involved in the programme and this year, for the first time we’re delighted to announce secondary schools will also be included.

If a teacher from your school is chosen as one of our 10 winners, they’ll win a surprise event from the A Day Made Better Team, prizes valued at $2,000 and an Apple iPad for their classroom.

What’s more, winning teachers will enjoy nationwide recognition for themselves and their school. Put your school on the map by encouraging parents, staff and students to nominate an exceptional teacher today.

Kind regards,
The A Day Made Better team.
