MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

Constable Andrew

Last week we had the pleasure of welcoming Constable Andrew Tracy to our school family. Constable Andrew is our new Adopt-A-Cop and will visit our school from time to time.

Attendance at School

I have recently reviewed that attendance at the school for the first (1st) semester this year. In comparison to the previous two years, I can report that our attendance rate is slowly improving. (please see the table below) This is fantastic as schools are lonely places without children.

</tbody>
</table>

Friday 15 May was our best day's attendance with 96.3% of children at school.

Friday 29th February had the lowest rate of attendance 79.1% (It was a day of heavy rain.)

Fridays and Mondays generally have the lowest attendance per week.

When reviewing the data, the main reasons why children are reported as being absent are:

Illness 31%

Holiday 11% (Please make use of the school holiday periods)

Unexplained 44% (It is the parent’s responsibility to advise the school why their children are absent from school.)

Other 10%

Disciplinary and Unauthorised 4%

As a community, I encourage you to send your children to school every day, unless there is a valid excuse.

Keep a watch on our school these holidays 13 17 88

With the holidays fast approaching, we need you to look out for after-hours crime in our school. If you see something suspicious, please don’t attempt to intervene. Call School Watch on 13 17 88 and let the local police or State Government Protective Security Service deal with the matter.
The School Watch program is a partnership between the Department of Education and Training, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools.

Keep the number (13 17 88) handy and let’s work together to help create a safer school community.

Farewell and Thank-you

As I was preparing to write this last newsletter, I have reflected on my years here at Springfield Lakes State School, as well as the many years since July 1974, when I commenced teacher training at the former Kedron Park Teachers’ College. After over 34 years as an educational leader it is now time for me to move to a new aspect of my life.

I have worked across a great deal of Queensland, especially in the Far North and Ipswich regions, with a smattering of others places also. The mangroves of New Guinea and the west coast of Queensland along with the wide plains at Corfield have all been in my sights, before I moved to Ipswich some 19 years ago.

Teaching has been good to me and my family. It is certainly not the best paid job in the world but it has been very satisfying. I leave teaching and principalship with many fond memories of the thousands of boys and girls who have passed me on life’s journey. I have been fortunate that I have been able to meet up with some of the children again, as adults. It is wonderfully satisfying to learn of their successes in life and to appreciate that you have played a small part in that journey.

I would like to sincerely acknowledge the support of my colleagues here at Springfield Lakes State School. We are very fortunate to have at this school a wonderful group of committed staff, whose desire is to improve the learning outcomes for children. In my departure I am confident that you will continue to support these good people as you work together for your children.

To you the parents I also thank you for your support. You are the prime teachers and advocates for your children. Without your trust and support school staff would not be able to achieve what they do.

My message to the children is to remember your school values of Cooperation, Peacefulness and Respect. The application of these values, in your life, will always stand you in good stead as move through school, study and work. Remember we are all lifelong learners.

I would like to thank my wife, Wendy and our children Joseph and Edward, for their support. Living with a school principal who has a small family at home, but a much bigger one at work is not easy. They have been more than generous with their understanding and love.

I wish everyone associated with Springfield Lakes State School my very best wishes and I look forward to returning as a visitor in the years ahead.

Kind Regards
Peter Doyle

Holidays!!!

Holidays are fantastic to spend quality time engaging and interacting with your children!

In previous editions of Speechie News, you will find many strategies to support your child’s language development at home. I encourage you to choose a couple of strategies and try them when playing and interacting with your child.

Building strong vocabularies and oral language skills helps your child immensely to perform at school. If your child is doing well at school, these strategies can also help them to further develop their skills.

Students in years 1, 2, 3, 4, and 6 have been participating in ‘Robust Vocabulary Instruction’ this term. I have heard many reports that children have become excited about learning new words, with students seen practicing using their new vocabularies in the classroom and their writing. Please encourage your children to use new words that they come across in your holidays. You may like to use the steps provided in the previous newsletter for discussing a new word.

The Holiday Talking Calendar below may provide some ideas for developing your child’s oral language over the holidays.

Robust word of the week:

Payment for School Events, Excursions

When the school organises an event all parents are expected to meet the deadline for payments. We give as much notice as possible for the events and provide options for payment. However, late payments place a burden on the school’s staff. The cut off for school camps is two weeks before the event and the cut off for school excursions is one week before the event.

Dove Band Celebration

We are Cooperative
We are Peaceful
We are Respectful

As a way of acknowledging all of the great behaviour displayed in our school, we will be holding a ‘Dove Band Celebration,’ on Tuesday 23rd June, 2015. Each dove band level receives a different reward.

Blue Band: will receive an ice-block at second break.

Yellow Band: participate in a “Cinema Event” afternoon.

Red Band: are invited to bring in an appropriate toy or game (this may include a board game, electronic game or card game) to play with in the afternoon session.
Green Band: participate in a special activity with a Deputy Principal.

Gold Band: have lunch with Mr Doyle, a mention in the newsletter and a special certificate at our end of year rewards parade.

It is great to see so many students following our school expectations and working hard to achieve the next dove band level.
