MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

I think we are making progress with students running on the concrete. There are less students running on concrete, which makes for a safer school. One of the next things to tackle will be all the rubbish left around the school. I hope we can eliminate the litter around our school.

We currently have two “Hire a Hubby” men who do some volunteer work around the school. They would like to see if there is any interest in having a working bee one weekend to get a few things done around the school. As yet, no date has been set. However, if you are interested could you please let our office staff know. While I appreciate not having a set date makes it tricky to plan, at this stage I would just like to know if there is any interest in helping out. Of course volunteers would only be doing jobs they feel comfortable with.

Speaking of volunteers our P & C will be having the honour of holding the first sausage sizzle at the Springfield Bunnings opening on this Saturday 8th August. Helpers are welcomed. If you can't help at the BBQ, you can always drop in and see us and buy some sausages on bread. What better way to start the weekend!

We have been informed this week that a child in this school has been diagnosed with Chickenpox. Families of the children in the class have been notified this week. The following is information we have sourced from the Queensland Government about Chickenpox.

<table>
<thead>
<tr>
<th>Exclusion of Case</th>
<th>Exclusion of Contacts</th>

</thead>
<tbody>
<tr>
<td>(Person with infection)</td>
<td>(Person exposed to the case with the infection)</td>
</tr>
<tr>
<td>Exclude until all blisters have dried. This is usually at least 5 days after the rash first appeared in unimmunised people and less in immunised people.</td>
<td>Pregnant women and anyone with an immune deficiency (eg leukaemia) or receiving chemotherapy or immunosuppressive therapy may require preventative immunoglobulin and/or exclusion for their own protection. Contact local public health unit for advice.</td>
</tr>

Early symptoms of Chickenpox can sometimes look like flu symptoms. If you have any concerns, please contact your local health professional.

Up, Up and Away: Year 6 children heading off to our Nation’s Capital
Students from our school will soon be undertaking, an education tour of the national capital from Monday August 10 through to Friday August the 15th. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $60 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion, however, has already been factored in to providing you with a reduced cost for the tour.

The 70 children and seven staff participating in this tour are counting down the days till they depart on this adventure of a lifetime. Please keep an eye out on our Facebook page for daily updates and photos.

All payments should now be finalised.

King Regards
Trish Hollands
Mr Doyle was principal at Springfield Lakes State School for four (4) years and in that time has touched many people's lives. During the last week of term all of the children and staff had the opportunity to talk to Mr Doyle and say goodbye and to recount some of their fondest moments.

I would like to extend the opportunity to parents and caregivers who wish to sign Mr Doyle's farewell book. This can be done by coming into the office or sending an email to girvi8@eq.edu.au. All of your wishes will be collated into below book and presented to Mr Doyle at a later date. To be part of the fond memories book please come to the office or email us by 28th August 2015.

SIGN OUT PROCEDURES

There have been a number of parents who are coming into the school, going directly to your child's classroom and pulling them out. The correct procedure at Springfield Lakes State School is:

- Parents must **always** come to the Administration Office as the first point of call
- Parents must **sign your child out** if they are leaving the school grounds
- Administration staff **will call your child's class** and have them sent up to the office with their bag or
- Parents will be given a **leave pass** if the option is for them to collect their child from class.

Your adherence to Education Queensland policies and procedures would be greatly appreciated.
The language of emotions:

Does your child have difficulties explaining what they are feeling? Communication surrounding emotions can be very difficult for children, particularly when they are upset. At times, adults even find it difficult to understand their own feelings, manage them and communicate them effectively.

‘Inside Out’

The new Pixar movie ‘Inside Out’ has provided some insight into 5 common emotions our children may experience through the lovable characters of Joy, Sadness, Fear, Disgust, and Anger. This movie has opened up channels of communication to talk about emotions, what they look like and what to do when we are feeling that way.

The following website has collated many YouTube clips which you can watch with your child and start conversations about feelings:

On the same site, there is information on how the movie can be expanded to talk about:

- the value of feelings, why we have many different feelings, feeling multiple feelings at once, finding an appropriate way to let out big feelings
- communication skills, coping strategies, problem solving
- personality, changing interests
- keeping a positive attitude, never giving up, needing the support of others to achieve our goals
- train of thought
- knowing what we have control over and what we don’t, and accepting things when they don’t work out the way we want them to.
- loss, sacrifice and personal growth and loyalty

Language and Self-Regulation

In some of the classes in SLSS, the Self-Regulation Whole Class Program is being conducted. It helps children identify and verbalise their emotions, and gives them strategies when moving between the ‘Zones’ of emotion.

Blue Zone:
Floppy Jellyfish- Tired, sick, sad, upset, bored.
Suggested strategies to try: have a drink, movement break, get some fresh air

Green Zone:
Settled Seahorse- Good, happy, focused, calm, relaxed. This is where we want our children to be able to return to through increasing understanding, communication and problem solving.
Suggested strategies: praise, help them stay in control and maintain appropriate focus.

Yellow Zone:
Confused Clown Fish- confused, frustrated, annoyed, excited, scared, silly.
Suggested strategies: take 5 deep breaths, count to 10, take a break, movement break.

Red Zone:
Snappy Shark: Angry, out of control, mad, terrified, aggressive. Children here are not in control of their actions and emotions anymore eg. throwing a tantrum.
Suggested strategies: Make sure they are safe, and give time for them to calm down and return to the green zone before having discussions.
Help your child identify ‘triggers’ eg. things that make them angry or mad. If they know they are about to get angry, they may approach their parent or teacher for support before things escalate.
For more information, please contact me on the details below.

Why should we talk about feelings and verbalise problem solving?

- Increasing understanding of emotions and triggers will help our children identify issues and problem solve before things escalate.
- Understanding how to respond to certain situations appropriately when different feelings are present.
- Build resilience in our children as they know they will experience different emotions at different times, but they have a strategy to return to the ‘green zone’ of happy, focused, calm and relaxed.

How often can athletes and officials apply?
Eligible athletes and officials can only apply for 1 event per tier once every 2 calendar years. If an applicant is applying for 2 events in 1 year in different tiers they do not have to wait the 2 year period to apply for an event in a different tier. For example, if an applicant attends a state and international event in 2015, they do not need to wait 2 years to apply for a national event. If the applicant applies for all 3 event tiers in 2015 they must wait till 2017 before being eligible again. Funding tiers can be accessed in any order.

Applicants who received funding for attendance at state, national or international events under YAAP for events held from 1 January 2014 to 15 December 2014 will not be able to apply for attendance at a state event for 2 calendar years (i.e. if your last approved event was held in 2013 you can apply for state event funding in 2015. If your last approved event was held in 2014 you can apply for state event funding in 2016).

You will still be eligible to apply for funding for attendance at one national and/or one international event from 1 July 2015.

Submitting an application
As funding is provided retrospectively, applications will not be considered before the start of an event. Applicants are required to use their own resources to travel to events. Applications must be received by the department within six months after the start date of an eligible event.

All applications must be submitted using the online application form. The online application form is NOT compatible with mobile or tablet devices. Any online applications must be made from a PC. You will also need the most current version of Adobe Acrobat Reader to be able to see and print your application offline.

Links to the relevant event application form are here:
- State event - https://portal.enquire.net.au/portal/applicant/srs?id=955

Before you begin the online application process, you will need to have your bank details available and the contact details of the relevant regional/state/national coach/manager to include in the application. The department will verify attendance with the relevant organisation.

Lodging an application does not guarantee funding. All applications and recommendations are based on eligibility and available budget. You will be notified of the outcome of the application within 6-8 weeks of applying online.
