MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

Road Safety
Just a message to families about the continued need to discuss with children road safety. There have been a few recent incidents where students from this school have been involved in near misses with cars. Perhaps one of the most dangerous areas is at the roundabout near the Community Centre. On occasion, it has only been the vigilance of the car drivers that has prevented serious accidents. There have been children dart across the road near or on the roundabout. I believe that children are under the impression that they will be seen by car drivers. However, as car drivers, we know that it only takes a moment’s distraction, a sneeze or a cough at the wrong time and there can be tragic results. I understand that people might think it saves time to park down there and just call the children across the road. However, it is such a dangerous practice. We as adults might be safe crossing there, but children don’t always have our common sense. I know it might take time to use the drop off/pick up zone but please give this option serious consideration before we have a tragedy near that roundabout. Also, please drive slowly when entering and exiting the school drop off/pick up zone. In the schools I have been to, I have never seen such high compliance to the speed zones. Thank you for considering the safety of children. However, there are some people who do exit to the roundabout fairly quickly and this is where we sometimes have children crossing.

Principal’s Conference
In the last week of this term (15 and 16 September) our school will be hosting a large number of school Administrators from across the state and interstate. While the visitors are being encouraged to use public transport and to car pool where possible, I anticipate there will still be a significant increase in the number of cars around the school. I anticipate there will be about 15 school carparks utilised by our visitors on the day. The rest of the visitors will be parking in other areas around the school. We are trying to take every step possible to minimise disruption to our already busy streets. I ask that on these 2 days you exercise even further patience with our roads.

Facebook
If you are a regular Facebook user, you would have noticed that I have not been as vigilant with Facebook as Mr Doyle was. We will be commencing the approval building of a new Facebook page. I do intend to establish this and regularly post to it once ready.

Kind Regards
Greg Horrigan

DEPUTY PRINCIPAL NEWS

Get on board with pirates alike and help plunder some much needed loot for Childhood Cancer Support.

Talk Like A Pirate Day is a chance to polish yer peg leg and say ‘Ahoy me hearties’ to yer first mates and school crew.

Each year on 19th September, people throughout Australia and around the world loosen their ties, lose the school uniform, hunt for some treasure and get ready to Talk Like a Pirate!

Throughout Australia, Talk Like a Pirate Day is dedicated to raising awareness of the impacts childhood cancer has on families while raising vital funds for a great cause.

On Friday the 18th September we ask that all children come to school dressed like a pirate and ready to donate a gold coin to Childhood Cancer Support.

Our school Pirates are all cooperative, peaceful and respectful and must leave their hooks, knives, swords and cutlasses at home…. Or Captain Mr Horrigan will add them to his collection.

From the Deputy Principal: Gwendolyn Irvine

FOND MEMORIES BOOK FOR MR DOYLE

Mr Doyle was principal at Springfield Lakes State School for four (4) years and in that time has touched many people's lives. During the last week of term all of the children and staff had the opportunity to talk to Mr Doyle and say goodbye and to recount some of their fondest moments.

I would like to extend the opportunity to parents and caregivers who wish to sign Mr Doyle's farewell book. This can be done by coming into the office or sending an email to girv18@eq.edu.au. All of your wishes will be collated into the book and presented to Mr Doyle at a later date.

To be part of the fond memories book please come to the office or email us by 28th August 2015.
SIGN OUT PROCEDURES

There have been a number of parents who are coming into the school, going directly to your child’s classroom and pulling them out. The correct procedure at Springfield Lakes State School is:

- Parents must **always** come to the Administration Office as the first point of call
- Parents must **sign your child out** if they are leaving the school grounds
- Administration staff **will call your child’s class** and have them sent up to the office with their bag or
- Parents will be given a **leave pass** if the option is for them to collect their child from class.

Your adherence to Education Queensland policies and procedures would be greatly appreciated.

BUSINESS SERVICE MANAGER NEWS

BPOINT is an additional payment option which is available to you to pay your school invoices.

The internet web link will provide you with a method of paying school invoices from your own computer.

You will need the Customer Reference Number (CRN) printed at the bottom of your invoice/statement.
Once you have entered above requested information you will receive a BPOINT transaction confirmation for your records.

If you have multiple items on your statement enter any one of the invoice numbers and enter the total $ amount. The system will then clear the entered invoice number and place the balance as a credit on your account. The school will receive a report showing the credit and will apply this credit to the remaining invoices. Alternatively you may enter each invoice separately.

Attached are visual instructions to pay with BPoint.

Supporting Reading Comprehension:

What is reading comprehension?
Understanding what you read. It involves:

- Understanding the main idea of the sentence or paragraph.
- Making links to prior knowledge to support understanding (making inferences). E.g. The crowd cheered and clapped their hands. Were they pleased by the performance?
- Generalising what has been read to other situations. E.g. I remember when that happened to me! I...
- Learning from and retaining what we have read.
- Understanding that individual words create meaning (vocabulary).
- Distinguishing between literal and inferential (figurative) meaning. E.g. Mum was as furious as a lion after the seagull stole her chips!
- Processing subtleties in sentence structure and grammar which may slightly change the meaning of a sentence. E.g. Let’s eat, grandpa. Vs Let’s eat grandpa.
- Being able to recall facts, interpret and make predictions about what will happen next.
- Understanding a range of text types, including stories and factual texts.
- Thinking critically about what they have read, reflecting about this, and adding this new information to their knowledge.

Why is reading comprehension so important?
The whole purpose of reading is to understand and learn from what you are reading. As your child moves through the years of schooling, learning becomes more reading based. That is, your child will be expected to ‘read to learn’.

Reading comprehension can be impacted by a range of factors, including poor oral language, difficulties decoding, and difficulties with accuracy and fluency.
What can be done to support reading comprehension?

1. **Before reading:**
   - Ask ‘Why am I reading this?’ Is it to inform? Entertain? Persuade?
   - Think about what the text might be about by looking at the title/pictures etc.

2. **During reading**
   - **Visualise** what you are reading. Use the words in the table below to create a detailed picture. Can you see the picture in your head and add to it as you read?

<table>
<thead>
<tr>
<th>What</th>
<th>Movement</th>
<th>Mood</th>

<td>Number</td>
<td>Perspective</td>
<td></td>
</tr>
<tr>
<td>Shape</td>
<td>When</td>
<td></td>
</tr>
<tr>
<td>Where</td>
<td>Sound</td>
<td></td>
</tr>
</tbody>
</table>

   - Discuss the main idea through using clues from the text.
     - Check for comprehension: Does that make sense?
   - Create a time line of what happened.
     First, then....

**Poster: 1.4 Track down the main idea**

1. **Look at:**
   - Title
   - Topic
   - Pictures

2. **Read the text...**

3. **Ask yourself:**
   - Who?
   - What?
   - Why?
   - How?
   - When?
   - Where?

**Talk about the context of the text and your child’s prior knowledge about the topic. Do you remember when...**
3. After reading:

**Summarise the main points:**

<table>
<thead>
<tr>

<tbody>
<tr>
<td>Who are the main characters?</td>
<td>What is the main idea?</td>

Mary had a little cold,
But wouldn't stay at home
And everywhere that Mary went
The cold was sure to roam.

And filled them full of tears.
It wandered into Molly's eyes
It jumped from there to Bobby's nose
And thence to Jimmy's ears.

It painted Annie's throat bright red
And swelled poor Johnny's head,
Dora had a fever
And a cough put Jack to bed.

The moral of this little tale,
Is very quickly said-
Mary could have saved a lot of pain
With just one day in bed!

Payment Methods

Dear Parents and Carers

There seems to be some confusion in regards to payments of invoices. Please find information below in regards to the various payment options that are available to you.

Cash payments – We would appreciate correct money if paying at the payment window as the school does not hold change.

Bpay Payments - minimum payments amount of $10 or more.

Eftpos and Credit Card Payments - Mastercard and Visacard transactions can be processed at the payment window for all invoices. PLEASE NOTE - We cannot accept American Express, Amex or any other international card for payment of invoices.

Direct Deposit - When making a payment directly to the schools bank account, please ensure that a description is entered ie: child’s name and class so that we can credit the payment to your child’s account.

- BPay – minimum $10.00 transaction
- Internet Banking – ensure Student name AND Reference/Item Code are included.
- Phone – credit card only. Call the school on 34379888 daily prior to 10:30am
- EFTPOS –
- Credit Card - details on form provided with excursion –

When paying by internet banking, please ensure you first put the students name and have the correct code as some payments made to the school are unable to be allocated against a student due to insufficient details.

Reference Details when paying by Internet Banking as detailed on the back of your invoice are as follows:-

- Reference/Details: Please record Student Name and Reference/Item Code in the reference/details section so that your payment can be recorded correctly. If insufficient details are supplied, payments will be applied to the oldest debt for that Family/Customer.
- Example: JSmithCSIRO or BecJonesCANB

Payment for School Events, Excursions

When the school organises an event all parents are expected to meet the deadline for payments. We give as much notice as possible for the events and provide options for payment. However, late payments place a burden on the school’s staff. The cut off for school camps is two weeks before the event and the cut off for school excursions is one week before the event.

Dove Band Celebration

We are Cooperative
We are Peaceful
We are Respectful

As a way of acknowledging all of the great behaviour displayed in our school, we will be holding a ‘Dove Band Celebration,’ on Thursday 17th September, 2015. Each dove band level receives a different reward.

Blue Band: will receive an ice-block at second break.

Yellow band: participate in a “Cinema Event” afternoon.

Red Band: are invited to bring in an appropriate toy or game (this may include a board game, electronic game or card game) to play with in the afternoon session.

Green Band: participate in a special activity with a Deputy Principal.

Gold Band: have lunch with the principal, a mention in the newsletter and a special certificate at our end of year rewards parade.

It is great to see so many students following our school expectations and working hard to achieve the next dove band level. Congratulations to all students who have worked hard to reach their respective levels.

MUSIC NEWS

Choir

Senior Choir – Singfest
Last Thursday, 35 of our Senior Choir members joined with over 200 students from other schools to rehearse and perform at Singfest. We had a very busy day (we were singing for over 6 hrs!), and then presented a concert for many parents and friends that evening. Thank you to everyone who attended! Our next Senior Choir performance will be for our Springfield Cluster Choir Day on October 29, which coincides with Music Count Us In day across Australia. More information will be sent home soon regarding this performance.

Junior Choir
Unfortunately due to a date clash, our Junior Choir will not be participating in this year’s Jacaranda Festival. More information will come home early next term about our next performance.

Year 1 Choir
Our Year 1 Choir will be performing for the very first time on Thursday 17 September, during the Prep/Yr 1 Assembly, in the undercover area near the tuckshop. We would love to see lots of parents for our first ever performance.
Instrumental Music Recruitment
Our Year 2 and 3 students are being introduced to the instruments that they may like to play in our Instrumental Music Program next year. In 2016, Year 3 students will have the chance to learn String instruments (Violin, Viola, Cello and Double Bass), and Year 4 students have the chance to learn Band Instruments (Flute, Clarinet, Bass Clarinet, French Horn, Trumpet, Trombone, Euphonium and Percussion). Forms will be sent home in the coming week. If you are interested in your child learning an instrument through our school Instrumental Music Program please return the Expression of Interest forms to the school by the last day of this Term (Friday 18 September). Please note that we do not have Guitar and/or Piano lessons through our school.

String Ensembles Performance
Our String Ensembles will be performing in a small concert for Year 2 students and parents next Tuesday 8 September at 11:45 in the Undercover Area near the Tuckshop.

Concert Band/Senior String Ensemble
Our Band and String Ensemble have been entered into the Brisbane Schools Band Festival, which will be held over the weekend of 23/24 October. All students involved in these ensembles will be expected to participate in this performance. As soon as we have final details about our performance times, we will let everybody know.

Week 10 Instrumental Music
As both of our Instrumental Music Teachers are involved in a workshop at Springfield Central SHS during week 10, there will be no Instrumental Music lessons during the last week of Term 3. Our Concert Band will still be having their usual rehearsal on Monday morning of that week.

Students using school instruments
As part of the conditions of enrolment in the Instrumental Music Program, students who use a school instrument will need to provide their own instrument if they choose to continue in the Program next year. Students who use larger instruments (Double Bass, Tenor Saxophone, Bass Clarinet, Euphonium, French Horn) have a loan for their entire enrolment in the Program at Primary School. We'll be sending more information out to parents soon regarding continuing students for 2016.

Hello Defence Families….

I had the privilege of baking damper with some of the year 4 defence children recently. We had a great time together! Thank you Mrs Rohl and Mrs Oliver for the opportunity and thank you Loucia, Benny, Leo and friends for your masterchef skills.

Thank you to those families who have let me know that they are on the move. We have several families posting out at the end of the year. This can be both an exciting and worrying time so if there is anything that you think I may be able to help you or your child/children with, please do not hesitate to contact me either by phone or email krobe319@eq.edu.au.

Healthy, Active Travel to School

Congratulations to 2C who were the winners of the Active Travel Trophy for Term 2. They had the most children in the school who either walked, rode or scooted to school. Each child in the class will be receiving a prize this week.

The Healthy Active School Travel Artwork Competition is on again this year, with select artwork to be included in a 2016 Calendar for your families, if your school participates.

Thanks to our local police, the Department of Transport & Main Roads and the Healthy Active School Travel program as we have some fantastic prizes for students and schools who get involved. Prizes include:

- School 1\textsuperscript{st} Prize – Amart/Rebel Sports Voucher $500

To be awarded to the school with the most number of entries submitted as a % of total school enrolment (i.e. if you submit 20 entries and your school total enrolment numbers are 500 students then 20 entries equates to 4% of total enrolment)

- School 2\textsuperscript{nd} Prize – Class Morning Tea with Constable Clancy the Koala

To be awarded to the class with highest number of entries submitted as a % of total class enrolment (if two or more classes achieve the same result there will be a draw to establish the winner)

- Student Prizes – there is a major prize of a student bicycle and bicycle helmet, as well as many small prizes such as hand-balls, frisbees, yo-yo’s, card games, pencils and more!
The competition is about raising awareness for road safety and in particular safe travel to school.

We’re asking students to submit artwork pieces to your school office – they need to be handed in by next Friday 11th September. Artwork submitted will be judged by an independent panel and then returned to the school during Term 4.

Artwork must be submitted on A4 sized paper and can be hand drawn, painted or computer designed (3D mixed media/electronic media designs will not be accepted) with the student’s full name, class and school written clearly on the back of the artwork. The artwork must address one or more of the following road safety messages:

· Speak Up for Road Safety
· How do you share the road? **Hint: drivers, cyclists and pedestrians are all road users**
· How do you travel safely to school?

Hints:

- Always wear your correctly fitted helmet and safety gear when riding your bike, scooter or skateboard
- Always cross the road using the pedestrian crossing or traffic lights and only cross when cars have stopped for you
- If you are not near a crossing, choose a safe place to cross where you can see the traffic in all directions and the traffic can see you
- Keep to the left of the footpath and move out of the way of other people
- Watch out for cars coming in and out when crossing driveways
- Don’t bounce the ball while walking to school
- Don’t ride your scooter on the road
- Don’t distract Mum or Dad when they are driving
- Always wear your seatbelt in the car
- Get in and out of the car on the footpath side
- If catching the bus, wait for the bus to move away before crossing the road

**P-3 Sports Day**

The P-3 Sports Day will be held next Friday 11th September from 9am – 1pm. Just a reminder for children to wear their sports house colours. Please see your teacher if you don’t know which house your child is in.

Do you have a child with a chronic illness? How are their brothers and sisters going?

Researchers from the University of Queensland are seeking parents with at least one child with any chronic illness (for example; Asthma, Diabetes, Eczema, Epilepsy, and Cystic Fibrosis) and at least one well child (without any chronic illnesses, aged 6 – 12 years). The researcher will be conducting home visits and performing interviews with one parent and one sibling of the child who has the chronic illness. Total duration will be less than 60 minutes. Topics of discussion will be based around the impact of the chronic illness on the well children within the family home. The findings of this study will help inform future parenting interventions for children and siblings living within a home with chronic illness. Participants will go into a draw for a chance to win one of two $50 Coles Group and Myer gift cards. For more details please contact Kathryn Hales on 0487 642 566 or at kathryn.hales@uqconnect.edu.au.
